"The Radicalisation of Young Men"

It is hard to ignore the stark reality of warfare in the Middle East today.

It is also hard to ignore the many young men who have left their middle class upbringing to fight for some idea(I) as found in ISS of Syria or Iraq.

The media have portrayed the hundreds of young men (many from Australia, UK, USA and some NZ) as "radicalised" youth when they come under the sway of a fiery preacher who promises them eternal paradise, sometimes with martyrdom. Many of these radicalised men are intelligent and wanting to do something in the world

I think "radicalisation" is the wrong word. Radicalisation is about getting to the foundations of an issue (Radix = root).

The issue is more about "alienation".

Alienation is about the loss of community and hence the promise of paradise as a solution to that loss.

I notice the media only refers to radicalised young men.

Those of us who work in a boys school know that if boys are thought to be **a** problem – they will definitely fulfil that expectation and become **the** problem.

I suspect on several layers, many young men generally experience a loss in the future of life. The depression stats, the suicide figures, the yahooish behaviour, the educational underachievement, the stupidity index etc are some indicators of this loss.

So, when presented with a sense of adventure, the righting of the wrongs of an unfair world, and being swayed by some ideology - it all makes sense to an alienated young man.

Are there ways we can help our young men gain a foothold in life and its future – without them racing off overseas to hear about some crackpot ideology and martyrdom?

Let's try some of the following:

 Educational achievement - hard work, being present at school every day will eventually produce some achievement.

- A service to others our College service requirement is about young men connecting with others and their community.
- Co-curricula activities are about participating actively in the life of their school and about ownership of their community.
- A learning about their faith tradition. Christianity didn't fall from the sky. The routines and rituals of our Christian heritage have been slowly shaped over the years and are part of our culture
- Learning to reflect. Learning to become a still point in a changing world.

Some years ago I was at a Jesuit high school in Chicago and was interested in a programme the school ran for their senior students: "Ruined for Life". The programme 'guaranteed' that its graduates would be ruined in terms of future consumerism or self-centred activities. They would be "fit for mission".

A transformative programme.

Now that sounds like radicalisation of young men in a different way.

Reminders:

- 1 College fun run Sunday **22 February** starting at 9.00 am (Domain). House activities and points. For parents and all boys.
- 2 College Fair Sunday **22 March** starting at 10.00 am. A major fundraiser activity for our parents and PTFA. Notices will be coming out about collection dates for goods etc.
- 3 All overseas trips permission for boys during class time must go through the HOY and myself as Headmaster.

Classes generally are very settled and orderly. Well done on a successful start.

In His Peace

The start of the year has begun well.

Some key pastoral points for the beginning of the year:

Uniform

A sharp looking uniform is compulsory.
 Please ensure your son departs for school in the mornings with the correct uniform and footwear.

Attendance

- Please note traffic is not an excuse for student lateness to school in the morning.
 Students are expected to leave home with enough time to allow for the traffic issues that often arise within Auckland.
- Doctor, dental and physio appointments should be made outside school hours.
- Excessive absences or lateness will be referred to Auckland City Attendance Service (ACES).

From the Office of Deputy Headmaster (Pastoral) Stephen Dooley (continued)

Contacting Staff

 We encourage parents to contact staff to discuss their son's progress. Email or phone remains the best means of communication. For meetings with staff please ensure you make a prior booking. Like any other professional organisation our staff may not always be available to meet with you.

"Weekly Engagement Report" (W.E.R.)

- Beginning this Week all parents will receive an emailed score sheet that measures teacher judgement on your son's effort and attitude in their core subjects. As per last year it is called the "Weekly Engagement Report" (W.E.R.). Our student intervention system has the following guidelines.
- Students who achieve consistently high scores will be recognised at the conclusion of each term.
- Students who show a pattern of low W.E.R. scores will receive direct pastoral intervention.
- The intervention level is progressive from teacher to the Head of Faculty, to the Head of Year and then if necessary myself or possibly the Headmaster.

Please have weekly conversations with you son regarding their scores. Our aim is to engage all boys in their lessons. Through this WER weekly scoring students can be proactively monitored, acknowledged or assisted to ensure they are working at their best.

God's Blessings

Stephen Dooley

Maori Community Meeting Nau mai, haere mai

Monday 16 February 2015, 6.30pm, Pavilion

Please join us at our first Maori Community Meeting for 2015 at which we will discuss:

- Initiatives and 2015 Events for SPC Maori boys
- Maori achievements at St Peters and academic outcomes for 2014
- · Te Reo at St Peters
- · Kapa Haka
- · Maori Community Engagement
- 2015 / 2016 Committee

During the meeting we will elect our 2015 Committee.

If you wish to be a member of the Committee, to nominate someone as a member, or would like to contribute to our initiatives in any way, we very much welcome your involvement. We understand that our whanau live in a busy world, and so any commitment, no matter how small, goes a long way to us achieving the best for our boys.

Our evening will conclude with coffee, tea and snacks and a time to socialise with other members of our community. The meeting is open to parents, family and boys.

Our motto is "kotahitanga" (unity). In reflecting this, our approach is inclusive rather than exclusive. Therefore, all who feel associated in any way with Maori are welcome to participate in our community and initiatives regardless of ethnicity.

If you have any queries please contact us on:

From the Assistant Headmaster (Middle School) Michael Mullin

A warm welcome to all the new students and parents to the start of the school year in 2015. The 100 day induction is well underway for the Year 7 students, with all students having been on their class retreat, Inaugural Mass and Middle School swimming sports this week.

To make every Year 7 student feel a part of the St Peter's family they were welcomed onto the top yard in their first week by the rest of the schooling body. This sets a tone of inclusiveness that will be with them through their seven years at St Peter's College.

In term one there are still a number of events that you should all be aware of:

Week 4

Thursday 19th February Year 8 Parents Evening

Sunday 22nd February Fun Run

Week 5

Wednesday 25th February Year 8 Camp

Thursday 26th February Year 7 Grandparents

Mass Week 6

Thursday 5th March New Parents Dinner

Week 7

Tuesday 10th March Year 7 Camp

Two co-curricular activities

The schools expectation is that your son engages in two co-curricular activities. Ideally from a sports perspective this is a winter sport and a summer sport.

We do not recommend your son registers for two core winter sports. The core winter sports are Rugby, Football, Basketball and Hockey. The main reason for this is to avoid training clashes.

If you require further details/clarification contact

Water Polo

SPC water polo has grown in size and gained great championship results over the past few years. We have recently won the NZSS Div B, placed 9th in NZSS Premiers and won the Central League Intermediate Competition.

This year we have 2 senior teams entered into the Auckland Competition. We're hoping to enter 2-3 teams into the Junior Competition and already have high interest in the Intermediate – Year 7/8 registrations.

HAVE A GO AT WATER POLO - Year 7 - 10

For those boys interested in knowing more about Water polo we are planning a 'Have a Go' session on Monday, 23 February. It will be held at the Diocesan Pool from 6.30 – 8 pm. This is a great opportunity to get in the water, have a go at playing water polo, watch a game and meet senior players. Players and Parents are welcome. Please bring your togs and a towel. For more details contact: **Sue Casey** sport@st-peters.school.nz.

Congratulations

Ben McConnell – Won a Silver medal in the Beach relay at the Northern Regional Junior Surf Life Saving Champs.

Rowing

St Peter's Novice 4 and 8 rowing crews competed for West End at the North Island Club Championships at Lake Karapiro over Waitangi weekend. The highlight of weekend was the Novice 4 winning Gold in the A final beating out the highly rated Waikato (Hamilton Boys High) crews in a tense and exciting final race. The Novice 8 qualified fastest for their A final but rowed away with a bronze for 3rd place in the final.

Thinking of rowing this year

A reminder if you are in any of Years 9 to 12 and interested in starting rowing (including the all-important role of coxswaining) in 2015 then there is a great opportunity for boys and their parents to come and experience a Regatta this Saturday 14 February. The Head of the Harbour Regatta is the Auckland Secondary School Champs and takes place at Lake Pupuke in Milford. The spectator area is in Sylvan Park at the North end of Lake Pupuke, off Sylvan Park Ave.

There is a shuttle bus that runs between the Milford Shopping Centre and Sylvan Park. Our SPC flag/banner will be set up on the spectator bank.

Racing starts at 8am and finishes around 5pm so all interested rowers, coxswains and their parents are encouraged and welcome to attend to experience first-hand the excitement that a rowing regatta brings and to ask as many questions of our existing SPC rowing parents and supporters that they need to.

Edmund Rice Library

Welcome back! We trust that our school community enjoyed a pleasant Christmas and New Year holiday.

We have been very busy welcoming new boys to St Peter's and selecting student librarians for 2015! We have been overwhelmed by the number of boys wishing to become librarians and help keep our library tidy!

Eamon McArdle is our Head Librarian for 2015 and he will be assisted by 22 librarians from previous years plus 26 new librarians! Their service to our library will be recognised later this term

We are looking forward to our Grandparents' Day Book Fair on Thursday 26th February where there will be an exciting range of boys' books to buy and donate to the school!

OUR LIBRARY IS ONLINE!!

Please go to the school webpage to see what books/resources we have in our library. You can reserve or request them following the instructions on the webpage. Library at lunchtime – the great place to be!

College Foundation Trust

Last year in its 75th Jubilee, the Board of Trustees established a St Peter's College Foundation Trust to manage its financial and capital resources in order to provide for the best Catholic education possible. Pastoral, academic, sporting and cultural programmes will be better supported.

Its objectives are:

- Advance education by providing funding for facilities, amenities and service for students and staff.
- Provide for scholarships to students and staff.
- Support education and co-curricula activities.
- Carry out special projects for new buildings and learning facilities.
- Support any activities which will advance St Peter's College.

The Chair of the Foundation is old boy Denis Drumm (Director of Staples Rodway).

There are five other trustees including the Headmaster and Board Chair.

The Foundation is a registered charitable trust.

New Cyclists Information Evening

7.30 pm February 18th

TIC Cycling Kevin Barker, Cycling parents and Captain of Cycling Timmy Kwok will lead this informal information evening for boys and their parents who would like to participate in Cycling for St-Peters College.
