UE – Gateway to multiple opportunities

Dear St Peter's College Community

This week we celebrated our academic success at a special assembly. Our top Year 13 scholars from 2015 returned to have their academic achievements acknowledged by the College, as well as those from our 2015 Y11 and Y12 students. Many parents were also present.

Our message here at St Peter's is very clear. Whether our boys choose to continue tertiary studies or to enter employment when they leave, we expect all to aim for University Entrance. UE attainment opens doors to many opportunities. UE attainment demonstrates that boys have the qualities of commitment, discipline, sacrifice, an ability to deal with pressure, and most importantly that they are critical thinkers.

While not all our boys will leave here with UE, it still remains our aspiration and must always be the objective.

Congratulations to all our scholars and to our teachers who played a crucial role in their success.

- Thank you to Monsignor Paul Farmer and our Catholic Character Group for our magnificent Inaugural Mass last Thursday night
- Thank you to our community for the large turnout for Mr Kieran Fouhy's Powhiri at St Paul's College
- Congratulations to our Rowing Squad for an outstanding Head of Harbour Regatta
- See you all at the Fun Run on Sunday 28th February!

From the Deputy Headmaster (pastoral care) Brett Fricker

Welcome to 2016!

As always this is a busy time of the year as students (and parents) settle back in to the routines of daily College life. Timetables have to be sorted, homework completed, practices attended and lockers bought. It requires focus and organization and can be, honestly, a little tough at times. Sometimes such things can cause students to have moments where they 'act out' and are not their normal selves. And this is where the Pastoral arm of the College steps in to appropriately sort such moments. Our role is to look after the physical and emotional well-being of all St Peter's students. This includes, but is not limited to, attendance and lateness; Weekly Engagement Reports; the College environs, for example, litter; counselling and so on.

As parents you can help with some of these by providing notes for absences and lateness. If you know in advance that your son will be away from school for personal reason, please phone **Alison Strong**, our Attendance Officer, on 524-8108x7341. If your son will be absent for a holiday or a non St. Peter's sporting event, Written permission **MUST** be sought from our Headmaster. He can be contacted via his PA on vvoordouw@st-peters.school.nz. Please also be aware that repeated unaccepted lateness and/or absence will result in the Head of Year contacting you. At the end of the day we want to work in partnership with you to grow your son so that he leaves in Year 13 as a well-rounded student with the grades to get him into the courses/jobs in which he is looking to enter. To do this he needs to be here at school and engaged in what he is doing.

To that end the Weekly Engagement Report begins this week. On Friday you will be emailed your son's engagement scores for all of his subjects provided they happen at least three periods in the week. A

grade of 3 is average but we strongly encourage you to help us to encourage your son to aim for a grade of 4 or 5. This will indicate that he is engaged in that subject and the more your son engages, the more likely he is achieve in that subject. A grade of 1 or 2 is unacceptable and will result in Head of Year Intervention.

Please feel free to contact your son's Head of Year at any time with any question you may have, or with any information that will assist us to best work with your son.

SCHOLARS ASSEMBLY

On Wednesday, St Peter's College celebrated the academic success gained during 2016 at the Scholars Assembly. We were proud to have Mr Brian Dickey, the current Crown Solicitor of Auckland come and talk to our leavers of 2015 and the current year 12 and 13 students.

During the event the audience enjoyed two outstanding musical performances by Shing Han Yan on the piano and David Robertson on the flute.

Mr Brian Dickey with 2015 Dux of the College Benjamin Moloney.

In Year 11, there were 40 students that gained a Gold Tie where students needed a minimum of 4 A*'s or A's in IGCSE or were awarded an Excellence Endorsement overall in Level One.

In Year 12, there were 6 students that gained a Gold Tie where students needed a minimum of 4 A*'s or A's in AS Level or were awarded an Excellence Endorsement overall in Level Two.

The school had an impressive 121 students gain University Entrance last year who were all recognised.

In Year 13, there were 8 students that gained a White Tie where students needed a minimum of 360 UCAS in their 3 best A Level subjects or were awarded an Excellence Endorsement overall in Level Three.

The assembly was capped off by recognising the 22 scholarships that the school gained last year and the 4 Top of New Zealand awards in the 2015 Cambridge Examinations and Paulse Anithottam being Top in the World for IGCSE Mathematics.

THANK YOU We've had a fantastic response so far from St Peter's families who want to make this year's fair the best yet.

Now we're hoping the rest of you will join in too – there are plenty of ways you can **support** this important event in the school calendar.

Our **silent auction** is a great money-spinner, but a deathly quiet auction is another matter!

Make sure ours is full of life by donating a prize: weekends away are popular, so too are restaurant vouchers, luxury items, fun experiences and the odd bottle or two of your favourite tipple.

Talking of drinks, **our bar is always popular** and it would be a shocker if we ran dry halfway through the day. Are

you able to donate some beer or wine to keep the thirsty crowd happy?

Are you part of a credit card reward scheme or do you collect **Fly Buys**? How about using some of your points to buy vouchers for us to auction in our **quick-fire raffles**? Any amount gratefully received.

We're also on the look-out for **gazebos** and **ezi-shelters** to make sure our stalls are covered come rain or shine.

Let us know if you are able to bring yours in, set it up for us and then take it home when the fair finishes. We need **trestle tables** too please.

Spread the word... Tell all your friends and family about our fair – the more the merrier – and check out and 'like' our **Facebook Page** – St Peter's College Fair.

Get in touch with your offers of HELP – or VOLUNTEER your services – by emailing: **spcfairvolunteers@gmail.com**

For general enquiries or offers on any of the above please email: **spcfair@st-peters.school.nz**

Music

The SPC Music Department enters 2016 with keen anticipation for key events such as National Band's Festival, the KBB Music Festival and the Senior Proms.

Reflecting on the year that passed, St Peter's saw great success in academic music. Special congratulations must be awarded to Shing Hang Yen of Y12, who scored top in New Zealand in AS Level Music (**Mr Poljanich**), and to **David Robertson** of Y13 for the Music Scholarship (**Mr Dwyer**).

Listed are the percentages for boys who achieved a certain grade in CIE Music last year:

IGCSE Music (**Mr Dwyer** teacher in charge):

- A - 48%
- B - 32%
- C - 15%
- D - 5%

IGCSE Music saw **Peter Nash** top the class with a mark of 92% (A*)

AS Music (**Mr Poljanich** teacher in charge):

- A - 56%
- B - 38%
- C - 6%

AS Level Music had **Shing Hang Yen** topping the class at 90% (A) and Top in NZ

A Level Music had **Patrick Hayes** achieve a mark of 82% (A).

2016 promises to be an exciting year for performance and indeed academic music. Already we have seen great success with the Jazz Band playing at Inaugural Mass and **Shing Hang Yen** performing at the CIE Outstanding Achievers Awards evening. We have a new teacher Ms **Miranda Allison** (University of Canterbury and Otago University) who will be replacing **Mr Patrick Dwyer** and we welcome her to the St Peter's Music Department, along with the new itinerant teachers who have joined the staff this year:

Mr Michael Jamieson (Saxophone specialist also lecturer at University of Auckland)

Suli Hoponoo (Jazz trumpeter and versatile instrumentalist who worked at King's College and Queensland -Australia 'prestigious schools) who will be in charge of Symphonic band and parts of the woodwind year 7 and 8 programme.

Heidy Lovatt (clarinet teacher graduate in performance clarinet at University of Auckland)

The Music Department would finally like to invite all to attend a Wine and Cheese evening (1st March 7.00 PM-to be confirmed with the details and in direct email from SPC music department) to discuss upcoming and future events in the St Peter's Musical calendar. An email with more detail will be sent shortly.

Have a fantastic year of music!

'Service Opportunity'

Royal Oak Primary School Carnival - Service Hours

Saturday 2nd April 10am - 4pm

If you'd like to earn some service hours by volunteering at this event then please contact Angela Thompson at angelat@maxnet.co.nz or phone 021 289 1650. They have opportunities for boys from Year 7 upwards and ask for a minimum 3 hour commitment. Service includes helping run stalls, collecting rubbish, blowing up helium balloons etc.

Please contact Angela as soon as possible.

Kapa Haka Quiz night coming up 9 April – hold the date.

More details to follow.

Writers' inc.

The S.P.C creative writing club is starting this Friday, C13 at lunchtime. Open for anyone, any age, who'd like to have a go at writing. The goal of the club (Writers' inc.), is to encourage boys to write and to give them affirmative feedback. We are also keen to enter competitions, particularly overseas screenwriting competitions. So if your son wants to write, encourage him to join up.

Sport Registrations 2016

For all sports, refer to the relevant sports page on the SPC Website. Registration information and forms are on each page from date registration opens. For Middle School Inter-school teams details will be provided directly to students.

Christian Brothers Cricket Tournament, Brisbane – Jan 2016

The 1st XI cricket team competed in Christian Brothers Cricket Tournament in Brisbane. Their first match was against Trinity College in Perth. After bowling first we were able to restrict them for 206 with **Noah West** taking 3 wickets. After a good start by **Samuel Phillips** and **Rohit Rajagopal**, we were unable to push on and were bowled out for 161. Our second game saw us playing St Laurence College. **Lucas Dasent** providing a great spell of 9 overs 4/32, kept St Laurence's to a reasonable score of 205. **Stephen Fernandes** (38) and **Noah West** (49) laid a great platform for SPC to push on towards the end of the innings. Needing 35 runs of 24 balls and no wickets remaining youngsters **Joe Malloy** and **Lucas Dasent** pulling through with a nail biting win.

After the close win we travelled to Gregory's Palace. Bowling first once again we managed to bowl them out for 171 with **Lucas Dasent** claiming 4/14 off his 10 and a great team fielding performance with 4 runouts. After the great bowling performance the boys were unable to string some runs together only pulling through to 111 with **Noah West** top scoring with 30. Once again in familiar fashion SPC were bowling first against St Pats Shorncliffe. With **Jordan Ryall** taking 2 early wickets and **Lucas Dasent** taking 3 more wickets St Pats were dismissed for 75 runs. Chasing low totals can always be hard and we made it look hard, scrapping through to 76/9. **Lucas Dasent** playing a well-crafted and sensible innings of 30 not out.

In the final game of the tournament SPC were facing the tournament favourites Nudgee College. Once again bowling first, Nudgee made their way through to 221 with **Noah West** taking 3 wickets and **Caleb Olney** and **Lucas Dasent** taking 2 each. After being 7/35 **Zane McEntee** and **Tom Parsons** brought SPC to a respectable score of 140, with **Zane** scoring the only 50 for SPC at the Tournament. A special congratulation goes to **Lucas Dasent** for Claiming Top Bowler at the tournament

with 13 wickets and making the Tournament Team. An important thank you goes to the coaching staff of **Andy Smith, Brett Fricker** and **Simon Wood** without their organising and coaching this trip wouldn't have been possible. I would also like to acknowledge **Harry Plummer**, our injured 1st XI Captain, who travelled with the team and was a great support to the boys. Thank you to the parents for all the fundraising that went into the trip and even for your support at our games. I encourage all young cricketers at St Peters to aspire to compete at this tournament and continue playing cricket at SPC.

Archery

St. Peter's had 4 of their best shooters venture down to Wellington and compete in the 73rd New Zealand Outdoor National Championship. This was an internationally ranked event with shooters representing 6 overseas countries.

The first day was for sight-setting and practise. Wellington lived up to its reputation with gusts of up to 100kmph later on in the afternoon. This wind calmed to a standstill the next day, a relief to the shooters as the shoot, the 1440, WA the longest and most gruelling in the event. The proceeding day was slightly gustier, but still not as bad as the first day. This was the conclusion of the ranking round with our four archers performed extremely well.

Chayse Martin-Roberts winning the silver medal, Matthew Storer earning bronze and **Luke Franklyn** placing 10th in one of the largest divisions at the tournament. **Bailey Cox**, in a different division and at his first outdoor nationals, won a gold medal. In the late afternoon, **Chayse** and his team won the team event, earning a gold medal.

The fifth and final day Wellington outdid itself on the weather front with torrential rain and gale force winds to the point that the arrows of the compound archers were being snapped off the targets like twigs. This resulted in the individual match play being abandoned much to the annoyance of **Chayse** and **Matthew** who were looking forward to hopefully facing each other in the finals.

College Sport App:

Auckland College Sport has an excellent, user friendly app. Download it as – Auckland College Sport, click on SPORT, then it will show all Auckland sports draw (excluding Rugby). You are able to check draws, results and venue maps.

Congratulations

Caleb Olney: Top equal bowler of the Year 12/13 Auckland Districts Cricket Tournament also was named in the tournament team.

Harry Williams: bronze medal in the 14 yr boys 400m freestyle race at the Anthony Mosse Classic swim meet.

Sebastien Priscott competed at the NZ Open Water Swimming Championships held at Taupo. **Sebastien** won two NZ Gold Medals for the 13-15 age group in the 10km and 5km races. Not only this but he also came 5th and 4th overall for all divisions.

Sebastien also competed in the Australian Open Water championships, where he won Bronze in both the 10km & 5km races in the 15 year old age group.

During the school holidays **Abraham Meachen** and **Michael Devoy** were nominated by their cricket club Suburbs New Lynn to have an ANZ Dream Big visit by the Black Caps. Neither knew it was happening so were surprised and stunned when they turned up asking for them!
