## Two People of Example and Influence

Occasionally on life's road we encounter great example and influence from individuals. Last week we saw such people.

### 1 Br. Barry Louisson cfc

Br. Barry was a student at St Peter's College from 1941-1944 when he left NZ to train in Sydney to become a teacher and Christian Brother.

In his book **"Moments of Truth"** he recalled that in 1941 on a very hot January day of enrolment, a kindly Christian Brother offered his mother and himself a cool drink and a chance to be in the shade of the Christian Brothers house.

A moment of grace he never forgot. From the age of 11 he decided to join the Christian Brothers.

After 7 years of training he volunteered to the foreign mission of Papua New Guinea and stayed in PNG for 63 years. He set up hospitals and schools, including a training college for teachers.

Last week we welcomed 87 year old Br Barry back to St Peter's College to speak to the college assembly. The first time he had been back to his old school. He recalled that his nickname at school among his friends was "Foreign Mission" and that his early life was spent researching about and collecting for the missions.

He was present also at the Sports Code Captains function on Wednesday night.

We have now renamed the daily assembly mission collection the **"Br. Barry Louisson Mission Collection"**.

Clearly a life of single minded purpose for the other person. Out of the comfort of his NZ upbringing he remained steadfast in his commitment to the families and students of PNG for his entire life.

### 2 Celia Lashlie

Last week I heard that Celia Lashlie, an ex correction manager, author and advocate for boys education, had died.

About 10 years ago St Peter's College joined a project led by Celia on boys education called **"The Good Man Project"**. It led to several initiatives in boys education giving affirmation of the unique educative opportunities in a boys school.

She spoke to St Peter's College parents at one session.

I found her frank and articulate approach to the fragility of boys a refreshing approach. Mothers of adolescent boys appreciated her insights on how to raise boys.

She gave numerous interviews and talks. One I found particularly interesting was her interview with Richard Fidler on ABC Australian radio in 2007.

I enclose the URL for this transcript. Anyone who has an adolescent son and works with boys will find this interview very informative.

### Scholarship Winner Repays Faith In Him

**Justin Akauola** was the inaugural winner of the Edmund Rice Scholarship in December, 2013 at Catholic High school Apifo'ou College prizegiving in Nuku'alofa, Tonga. This scholarship enables the dux of the Catholic High school to study for a year at St Peter's College.

**Justin** was told by **Mr Fouhy**, who was present at the ceremony in Tonga, that he would need to be a role model for future winners. **Justin** arrived in Auckland in February, 2014 and immediately impressed his teachers with his attitude and work ethic. **Justin** was well supported by his Aunt **Mrs Sesilia Pongi** who he stayed with during his time at SPC. **Justin** embraced SPC life and was an active member of the Tongan Cultural group and 2ndXV.

**Justin** certainly met the expectations of him, passing Level 3 and gaining University Entrance. **Justin** is now studying business at the University of South Pacific in Fiji and hopes to transfer to Auckland University next year. We wish **Justin** well for the future.

# From the Assistant Headmaster (Middle School) Michael Mullin

The year is now well underway with the young men of St Peter's College getting used to the routines and responsibilities of life in the Middle School. As they get used to school life again they will choose to take risks and will test the boundaries. This is a natural part of growing up and learning their place in schools or society in general.

St Peter's College offers a safe environment for your sons to do this and we understand the need for them to do so. With this, mistakes will happen, boys make split second decisions that they will regret immediately. For this there will be consequences and students will be dealt with fairly and should understand what is occurring at all times.

The point that needs to be stressed at this time is that students have a decision to make when discussing what has happened with a teacher or Head of Year. They can either tell the truth and "Own Up" straight away or lie to possibly get out of trouble.

At St Peter's College we stress the point of, "Stuff Up, Own Up". Students will make mistakes, though when one does, it is essential to be honest with staff and parents and then the issue will be dealt with. Unfortunately when young men choose to lie to staff, then the issue becomes greater, the truth will come out and then there are two issues to deal with and by not telling the truth young men compound their problems.

It is important that the Middle School and parents are on the same page. I know that all parents want their sons to be honest and the phrase, "Stuff Up, Own Up" could be utilised in your home as well to reinforce the ideas that we believe will help the young men of St Peters become St Peter's Men.

## Rowing Report

With the completion of the Might River Junior regatta at Karapiro over the 21st and 22nd of February, the SPC Rowing squad have now completed the training regattas in its build up to the North Island Secondary Schools Champs and the NZ Secondary Schools Champs (Maadi Cup).

This journey started in the dead of winter, nine months ago in June. Now we are 9 months and thousands of strokes into the business end of the season. The strong and focused senior and novice squads are showing the potential to make this year our best yet.

At the Junior regatta our crews achieved 6 'A' finals with two 2nd places, a 3rd place and three 4th places. This is the best build up SPC Rowing has achieved since its inception and the big boats are dominating the results.

We now have an intense 4 week training program that will bring the crews to their peak for the MAADI Cup regatta starting 23rd March.

North Island Secondary School Champs: 6th to 8th March, Lake Karapiro.

NZ Secondary School Rowing Champs, AON Maadi: 23rd to 29th March, Lake Karapiro.

## Middle School Swimming Sports

Monday the 9th of February saw the middle school shipped off to Point Erin Pools for their annual swimming sports. The day provided an opportunity for the middle school best swimmers to compete against each other for all important house points.

The stand out performers of the day were **Satriani Kahukiwa** (year 8) and **Cameron Croft** (year 7) who dominated all of their respective events.

Above: Ready, Set, Go

The day's highlights also included **Mr McMillan** demonstrating his prowess in the pool when he faced up against a relay team consisting of the middle school's top swimmers. Even with some dubious early dives, the students were not able to match the fearsome power of St Peter's own former Olympian, **Mr McMillan** just edging the students out.

O'Driscoll took out the overall points competition, followed by Lynch, with a credible third place effort for Treacy.

**What is the difference between SPC Net & the SPC Portal?**  
**There IS a big difference! Please read on . . .**

SPC Net	SPC Portal
 	 
<b>SPC NET</b> SPC Net is a Learning Management System or LMS. It is available to STUDENTS ONLY. It is a place where teachers create class-pages for students to view online, such as: <ul style="list-style-type: none"> <li>• Notes</li> <li>• Homework sheets</li> <li>• Quizzes</li> <li>• Links to useful websites</li> <li>• Other resources (eg old exam papers etc)</li> <li>• Communicate with each other</li> </ul> These pages are in fact 'virtual classroom spaces' for students and teachers to interact—it's like the physical classroom, but made available online. Here is where you'll find collaborative learning, resource sharing, online task and activity management.	<b>SPC PORTAL</b> The SPC Portal is link to our Student Management System It is available to STUDENTS & PARENTS It is a place where parents or students can log into to view data held on our Student Management System. You can: <ul style="list-style-type: none"> <li>• View your details i.e. name, address, date of birth, caregiver details etc</li> <li>• View your timetable</li> <li>• View attendance</li> <li>• View NCEA summary</li> <li>• View groups your son is in</li> <li>• View reports</li> <li>• View and pay outstanding school fees (in real time, ie you pay online, we see it instantly on our system)</li> <li>• Make your subject selections for next year</li> </ul>
<b>BOTH SYSTEMS</b> To go to either system, go to: <a href="http://www.st-peters.school.nz/SPC-Service-Links.aspx">http://www.st-peters.school.nz/SPC-Service-Links.aspx</a> <b>NOTE: USERNAMES are the SAME but PASSWORDS are DIFFERENT for each system.</b> In case of emergency!
