SPORT (Seven Rules)

The winter sport registrations have been completed – and are very encouraging.

Sport	Boys Playing	Teams
Archery	40	
Badminton	34	11
Basketball	227	21
Cycling	30	
Football	291	22
Hockey	57	4
Lawn Bowls	20	
Rugby	306	14
Squash	41	7
Table Tennis	43	12
Waterpolo	51	5

Clearly a big part of the school and big part of a young man's life. Sport is not an either/or scenario – either sport or classroom learning. More a both/and issue where boys who are connected and engaged in one activity are also connected to learning.

But sport needs a perspective. So I thought it timely to discuss some rules we all assume about playing sport at St Peter's.

1 **Winning at sport is important** – but not at an absolute level. There are many things in life to enjoy and experience. Mahe Drysdale took up rowing when he left school!

2 **The referee/umpire is always right** – even when (s)he is wrong. You may have a different view but frankly your opinion doesn't count.

3 **Practice at sport is essential.** But as the saying goes "practice makes perfect, so be careful what you practice"! It is important that boys commit to practice as much as the actual game.

4 **Fitness in any sport is a pre-requisite.** This year we have committed to raising fitness levels in year 7, 8, 9, 10 – in small steps (beep test). We have noticed some huge achievements over this term.

5 **Sport is a vicarious experience.** General McArthur (World War II General) put a slogan over the portal of Westpoint Gymnasium: "It is within these walls of physical endeavour, that we learn the endeavours of life and living."

6 **Sport is a virtue nurturer.** The ability to play in a team, to turn up in all types of weather – to experience defeat and victory. "**Humble in victory. Gracious in defeat.**" is a mantra used at St Peter's College.

7 **Sport on Saturdays is not a parental babysitting activity.** Not a catch up time for coffee with friends, or the lawns or house cleaning time. Sport at St Peter's is about involvement of parents and families – coaching, managing, scoring, supporting on the side-line etc. All part of the fine print of registration!

Sadly modern sport as a commodity is becoming a breeding ground for narcissism and arrogance among men. As a school we need to ensure St Peter's men are committed, involved and competitive. Arrogance = not our style! Narcissistic/entitled = not us.

I am looking forward to the winter smell of the leather, the tension of the moment and the enjoyment so many boys experience in playing sport.

We still need parents as Coaches/Managers.

Stay posted:

1 75th Jubilee Music Concert, St Benedict's Church **Friday 23 May at 7.00 pm.** Tickets available from any music student and music office.

2 We are establishing in term 2 and 3, a 75th Jubilee Lecture Series for senior boys and the community. Experienced staff will present on a variety of topics. Details later.

Enjoy the break - and remember the Easter church observances.

In His Peace

School Safety

As part of routinely checking school systems to ensure our boys remain in a safe community we carried out two important procedures this week.

The first was to practice the College's "Lock down" procedure.

- A Lock Down is called when an event occurs outside of the School buildings which poses an immediate threat to St Peter's College students or staff.
- In the event of a Lock down, the students get on the classroom floor and the teacher locks the door until the all clear signal is given by the Headmaster.

The second procedure was bringing in a canine drug detector and handler into the school.

• The drug dog searched much of the College premise

• This is a preventative measure that many schools are using to ensure the correct messaging is interpreted by our students.

• Our message is a simple one "St Peter's College has a zero tolerance attitude towards drugs in our community".

As expected both procedures went well and the students behaved in a mature fashion throughout.

God's Blessings

St Peter's Confucius Classroom

The opening ceremony of St Peter's Confucius Classroom took place on 26th March 2014. This is the only standalone Confucius classroom in a high school in the Auckland region. St Peter's College was awarded this title as an honour and in recognition of our 13 years of continuous Mandarin language and Chinese culture teaching, which has brought fruitful results. Following the establishment of the Confucius Classroom, our school will be more closely cooperating with The Confucius Institute at Auckland University and their Headquarters, the Hanban in office Beijing. We will also be financially supported by the Hanban office in the development of Mandarin language teaching and in our future trips to China.

Middle School Report

What a fantastic start to the year and the first term is nearly all over. For students and teachers a welcome and deserved break from a hectic start to 2014. On reflection the term has flown by with so many activities that everyone has been involved in. New students should be feeling comfortable in their life here at St Peter's College and each student should be part of a sports team, cultural or music group by now.

An important aspect of school life began this week with a number of young men from the Middle School starting the journey of faith at the Rite of Acceptance Mass. These young men are preparing to be fully initiated into the Church and were welcomed joyfully into our Christian family. This is exciting to be there with the students as they start their journey as it reawakens the idea of why faith is important to me.

These young men have set out on the road to be fully initiated into the Church by the sacraments of Baptism, Confirmation, and Eucharist. Over the coming months the students will learn about these sacraments and they will need the support of our faith and love of their family, friends and teachers along the way.

May you have a safe and happy term break. Enjoy the Easter celebrations and we look forward to seeing all the students back for term two refreshed and ready to take on new and exciting challenges.

1st IX Softball

In March the 1st 1X Softball team travelled to Tauranga to compete in the NZSS Div 2 Championships. After finishing 4th at the Div 1 Championships last year, we lost 3 key players in specialist positions, so decided to enter the Div 2 tournament to develop our younger players in these specialist positions.

We went through our round robin pool un-beaten, scoring 61 runs and conceding just 5 in 4 games. Day three saw us move into the championship round as the number 1 qualifier where we beat Palmerston North Boys High 17-0 and then lost to a much older and more experienced team from Hastings Boys High, 4-0.

On the final day of the tournament we beat Gisborne Boys High 10-0 to advance to the grand final against Hastings Boys.

After our previous loss to Hastings, the team were determined to prove themselves against our older rivals. The final proved to be a very exciting game, with SPC showing excellent pitching, hitting, base running and team spirit to beat Hastings Boys 5-0 and claim the title.

Congratulations to the team: **Keegan Allen, David Cooper (SPC MVP) Nathan Cooper, Logan Esau, Kalin Felise, Jared Fuamatu, James Kohlhase, Joseph Kohlhase, Nelson Kohlhase, Noah Kohlhase, Joseph Polamalu, Kane Natua, Hayden Trotman, Conner Smith, Jeremy Washer.**
