Catholic School for Boys in the Edmund Rice Tradition

24 April 2015. Newsletter 7/15

We shall remember them...

As a Great-Grandson of one of the soldiers that came out of the dawn gloom onto a Turkish beach 100 years ago, it is sobering to note that he was the same age as many of our current senior boys. It is difficult to comprehend the fear that they must have all thought as their boats crept closer to the peninsula where 2,779 New Zealanders and 8,709 Australians would never return from.

Like many New Zealanders, I have visited Gallipoli and the other infamous battlefields of Europe which claimed so, so many in both World Wars. Whilst poignant, it also makes you grateful for the lives that you, your family and your friends have had.

Like the rest of the country we at St Peter's will be paying tribute to our fallen servicemen and women on Friday with a number of initiatives being led by the prefect team.

- Our new 12 classroom block – the Outhwaite Building – is now fully operational. A Catholic and Maori blessing took place on Monday. Staff and students are enjoying this fabulous teaching environment.

- Successful trips overseas in the holidays to Europe (Music) and China (Mandarin).

- Winter sports teams are now well underway. Please ensure your boys meet their commitments at all times to their team.

ABSENCE FROM SCHOOL

Please ensure you phone the school by 9am if your son is going to be away or out of school for any appointments. We also ask that you send a letter with your son on return. Phone Mrs Alison Strong (Attendance Officer) on 524 8108 ext 7341

CONTACT DETAILS

Please log on to the SPC Portal: <http://www.st-peters.school.nz/SPC-Service-Links.aspx> to request a change of details. (see page 4 for information about our new SPC Portal).

Please be advised that due to safety concerns the front gate will be locked from 3.00 - 3.30pm Mon - Fri.

From the Acting Deputy Headmaster (Pastoral) Brett Fricker

Welcome to the new Term, hopefully the holidays were a relaxing and restful time for students and parents alike. Term 2 is a busy Term with the beginning of winter sports, the production and prelim exams for seniors being just a sampling of the events being held. Therefore it is a good time to remind everyone of some of the Pastoral procedures as holidays tend to have a 'forgetful' influence on us all.

Absences from school – If your son is away for any reason please phone **Alison Strong** (ext 7341) letting her know the reason for the absence or email her on **astrong@st-peters.school.nz**

If this absence is a trip and will require your son to be away for more than 2 or 3 days, we ask that you email the **Acting Headmaster James Bentley**, **jbentley@st-peters.school.nz**, as he needs to approve the absence.

Appointments – We encourage you to make doctor/dentist/orthodontist etc appointments outside school hours as the primary focus of 8.30 – 3.00 should be the classroom. On the rare occasions where this is not possible please provide your son with a note explaining what the appointment is, the time he will need to leave school and the expected time he will return. He should give this to Mrs Strong at the start of the day. Her office is located in the Old Brothers' Building. Alternatively you can email her at **astrong@st-peters.school.nz** but ask your son to check with her before he leaves.

On a different note, the following is an important message from Auckland Transport.

New electric trains are being introduced along the western line between Britomart and Swanson. Auckland's new electric trains are much quieter than the old diesel trains and they accelerate faster. So anyone crossing railway tracks needs to be extra cautious!

The main messages are clear:

- Always cross at proper rail crossings
- Always look both ways
- Stay off the tracks – never use them as a short cut
- Stay behind the yellow lines at stations
- Stay well clear of overhead wires
- And, never muck around near trains!

In the main our students are consistently well behaved at the stations but I would ask that you reinforce Auckland Transport's message in your discussions with your son.

Edmund Rice Library

We hope you all enjoyed a pleasant Easter break.

We have plenty of new books waiting to be read!

A reminder to all students to PLEASE return or renew overdue library books ASAP.

We wish to advise that following ANZAC Day (Monday 27th April) our library will be opening from 8:30am until 3:15pm until Wednesday 13th May while Mrs Smith is on leave. We apologise for any inconvenience caused.

Happy reading!

Shared Memories Project

The Shared Memories wiki has been researching the experiences of the relatives of the SPC community who fought on the Western front in WW1.

It is still a work in progress and we would be very grateful to have contributions from any other SPC people who had family involved in this conflict. If you have memorabilia that we can use or copy this would also be very much appreciated. Please contact **mubels@st-peters.school.nz**

From the Assistant Headmaster (Middle School) Michael Mullin

Welcome back to Term 2, which will certainly be an intense time for many in the Middle School. The term has a major focus in the classroom of Mid-Year examinations where students are tested on the year so far in a range of subjects. This occurs in week 6 of this term and study guides for each year will be put up on the SPC Net in the coming weeks. These guides will help students focus their studies towards certain areas that they will need to understand for each of their examinations.

Often it is around this time that students and at times parents become nervous, anxious, worried and stressed as the pressure of examinations comes on. To help with this parents should sit down with their sons in the next week or so and set out a timeline for study, where they can study and for many young students, teach them how to study.

It is important to create a space within the home where good quality study can take place with no distractions. Somewhere that a watchful eye can be over them to ensure they do not get off task is also essential. It is important to eat well and drink plenty of water while studying and all distractions such as YouTube and Facebook are not accessible when students are studying.

Short time slots is also wise. Trying to study for 4 hours in one go will become monotonous and not a lot of information will stay in the mind. Creating a timeline over the weeks leading up to the examinations will help break down the study into little chunks and make revising the term and a half work much more manageable.

Young men struggle in how to study. Reading over the information time and time again seems to 11 and 12 year old as a good idea, but the results do not show this. Instead students need to look over the provided study guides, make notes as they are reading, ensuring that the key concepts are being noted and that they practice answering the questions time and time again. As a parent, one can help by ensuring that students when practicing questions, that you can mark these with them to make sure that they are getting these correct.

With anything at St Peter's College we expect the very best of our students and it is important that all students put the time and effort into their studies so as to give the best possible chance of success.

Maori & Pasifika Homework Centre

The Maori & Pasifika Homework Centre will start operating this Term in Room O15 (Outhwaite Building) on Tuesdays and Thursdays morning from 7:00 to 8:15am.

There will be a staff member there on both days to give assistance if any student requires help with homework or assignments.

Students will need to "sign in" as we wish to monitor the effectiveness of the Homework Centre.

SPC Pasifika Students take on PILOT – Pacific Island Leaders of Tomorrow

*Our Young Men who represented St Peter's College with pride: **Daniel Perez, PJ Ah Van-Toulua, Rylie Williams, Julius Johnston, Samuel Verlinden, Marcel Tanuvasa-Clouth and Taniela Kaufusi.***

On Tuesday 24th March 2015, seven of our amazing St Peter's College Pasifika Students were chosen to attend the Pacific Island Leaders of Tomorrow (PILOT) Careers Programme held at AUT City Campus. SPC was one of 20 schools who attended Day One of the PILOT programme, total of 167 students.

PILOT is a collaboration of Tertiary & Technical Institutes, Private Training Establishments and Government Agencies namely Careers NZ, University of Auckland, AUT, Victoria University, Waikato University, Unitec, MIT, Best Institute, NZMA/ACG, Auckland Institute of Training (AIS), Martin Hautus and Media Design School. It is run by Pasifika Liaison role models from the above organisations and provides opportunity to connect our students with people in key roles.

The programme is a mixture of workshops, presentations, guest speakers and a community family evening providing dinner for all. A personalised approach to teach elements of critical thinking, research and reflection with an outcome of helping young people in their decision making, career pathways and transition beyond Year 13.

Our ancestors were pilots of the ocean. The ocean was their waterway to each other, and was their route to the rest of the world (Hauofa, 1993). This notion is the basis of the Year 13 PILOT

programme. We want to emphasise that students will be embarking on a journey of discovery that they need to prepare for. The ocean is an abyss that can be mysterious and unpredictable, where not everything goes according to plan. However, if you prepare well for the journey and plan the voyage ahead, then no matter what happens you will reach your destination.

We want to highlight **Sam Verlinden** who was recognised with a prize for his demonstration of leadership by facilitating discussion in the workshops. Also acknowledge our young men who sang to show their appreciation of PILOT Programme.

This is the 2nd year St Peter's College has participated in PILOT and we acknowledge our Liaison staff **James Bentley** and HOD Careers **Heather Trought** for their fantastic support. Malo Lava.

THANK YOU to the Samoan community for your contribution and support to our Stall at the College Fair last month. FA'AFETAI TELE LAVA.

PLEASE note in your calendar our next community meeting on WEDNESDAY 29TH APRIL at 6.00pm at school. A further notice will be sent via school email with venue details. Manuia le vaiaso.

TE KURA TEITEI O HATO PETERA KAPA HAKA – POLYFEST 2015

From 18 to 21 March 2015, Auckland celebrated 40 years of the ASB Polyfest (formerly known as the Auckland Secondary Schools Maori and Pacific Islands Cultural Festival). The calibre of performances on the Maori Stage at Polyfest is notoriously high, with 51 groups over three divisions showcasing the diversity and strength of our Maori young people. Te Kura Teiteti o Hato Petera (St Peter's College) Kapa Haka was the very first school to perform on the Maori Stage at Polyfest, and opened Polyfest in the exclusive "St Peter's Man" way – with strength, grace and humility.

Our Kai Arataki - **Ryan Smith** and **Tanis Bosson** were nothing less than exceptional not only in their performance but in their strong, steady and firm approach to taking on their leadership roles. Sadly, through a broken shin bone, we lost our valued member **Jerome Mika**, in the last few days leading up to Polyfest. However, in the true spirit of Kotahitanga **Jerome** still stood united with his Kapa brothers on the stage on the day and continued to be a valued member of the team.

Kapa Haka were once again very fortunate to have been mentored by **Graham Tipene** who guided our young men in delivering a performance to be proud of, and, through his belief in our young men, brought them together as one. We are also extremely

grateful for the assistance of **Malcolm Kerehoma** who stepped in to lead our boys in **Graeme's** absence over the lead up to Polyfest and whose sharing and words of encouragement made a huge impact.

Our motto of Kotahitanga (meaning unity and oneness) was apparent during the lead up and day of Polyfest – both through the new Kotahitanga apparel worn by many of our whanau and the way in which our young men stood unified together. An underlying aspect of Kapa Haka at St Peter's, is that Polyfest is far more than a one off "performance" for our young men. It represents who our young men are, who they come from and where they are destined to be.

Thank you to Henderson Intermediate for their generous assistance at the last minute. A heartfelt special thanks to all our whanau who put many hours and aroha into our young men and their success and who therefore all played their part in strengthening Maori at St Peter's College.

Cricket Report

St Peters Cricket has had a high-spirited start to the 2015 season, with all teams celebrating well deserved success at the end of Term 1.

The Colts have endured a rocky road throughout the term, led by left arm orthodox spinner **Lucas Dasent** they have had some close losses, but found new life towards the end of the Term with an excellent win against Mt Albert Grammar being the highlight.

The 2nd XI surged into a dominant position in the 1B competition with consistent results throughout the term finishing with an outright win over Papatoetoe. The opening batting partnership of **Josh Hickey** and **Sam Phillips** are the team's while **Jack Duncan** and **Callum Williams** are the sides leading wicket takers.

The 1st XI are well placed to push on in term 4 in their quest to gain promotion back into 1A. The side enjoyed a great run in the Gillette cup narrowly going down to eventual zone winners Westlake Boys in the semi-final. There have also been many outstanding individual performances with the bat including **Harry Plummer** scoring 171 in a T20 match and **Thomas Drumm's** unbeaten century against Westlake. **Harry** currently has the highest ever batting average for a 1st XI batsmen of 35.8 runs. All -rounder **Caleb Olney** led the bowling attack reaching 50 wickets for the 1st XI at a bowling average of 12. Other major contributors include **Ben Hughes** and **Eiden Ackland** who have been leading from the front with both bat and ball.

The touring team for Australia was announced at the end of Term cricket dinner:

Harry Plummer, Zane McEntee, Caleb Olney, Stephen Fernandes, Wayne Saldanha, Eamon Riley, Samuel Phillips, Tom Parsons, Tom Drumm, Rohit Raj, Noah West, Lucas Dasent, Joe Malloy, Jordan Ryall.

Congratulations men. All the best for your tour.

Lastly a massive thank you must be given to all coaches, managers, umpires, scorers and parents, who are the driving force behind all teams' successes.
