Miss Saigon

Talofa Lava, ae fa'apitoa le fa'atalofa i le mamalu o mata Samoa

Greetings to all, and to our Samoan community as we celebrate Samoan Language week.

In a little under two weeks the curtain will rise on our 2016 production - Miss Saigon. From the glimpses I've had of rehearsals I can assure you it's going to be sensational. Once again Director **John Hellyer** has put together a production to match the wonderful talents of our boys and the girls from our sister schools. With 78 cast members and a backstage of 52 musicians, set designers and costume helpers, the complexities of putting this all together is staggering.

Our gratitude to the array of staff, parents and members of our community, who have given up their time and expertise. This will be a great show so please make sure you get along.

* Congratulations to **Jack McConnell** (10TRE) for winning the Junior Scripture category at the Pompallier Shield

* Congratulations to our community for the \$12,000 raised for the charity - Shave for a Cure. This made us the top fundraising school in the country

* Thank you to our football community for this week's outstanding Football Dinner

* Thank you to all parents who attended our recent Y12 and Y11 Academic tracking night. I would welcome any feedback, or anything that we could do to improve these evenings in the future.

Manuia le vaiaso o le Gagana Samoa, best wishes for our Samoan Language week.

Ma te Atua tātou e manaaki
God's blessings.

Begins after school on Tuesday July 5th.

Service Opportunities 'Fit For Mission' House Service 2016

'Fit for Mission' House Service this year has begun. Houses have been asked to find service that links to our New Zealand Refugees focus on 2016. House Leaders have reported on the current projects and coming opportunities as follows:

Bodkin: (Completed)

- Bodkin has set out to live the St Peters motto "To Love and to Serve" by coming together as a House, collecting much needed quality sportswear and clothing for refugees in Auckland. The boys have already donated generously, providing more than anticipated, with clothing, sportswear, multiple pairs of boots and footwear being amongst the bulk of the collection.

Lynch:

- Lynch are partaking in Environmental Service and donating sponsorship for each student involved to the daily missions (which are being given to the Diocese of Dunedin to help with refugee relocation costs).

Nolan:

- Nolan are helping the Refugee Centre in Mangere move premises in late June. They are also

organising a game of football with refugees from the Mangere Center, and Y7-9 students are making greeting cards for new refugee families to New Zealand.

O'Driscoll:

- O'Driscoll House service this year will consist of a garden blitz of refugee homes across Auckland. The days have been air-marked as the 3rd and 10th of July (TBC). We will split into groups of 3-5 boys led by one person (a senior) and perform any task whether it be weeding, trimming, mowing or planting for the refugee families. The houses will be all over Auckland and boys will work in accordance with their best suited location.

Rice:

- Rice will be partaking in fundraising, such as sizzles, to raise money to support refugee needs in Auckland.

Treacy:

- Treacy will undertake general maintenance of the Auckland Domain, with activities such as mulching and picking up litter on Sunday 26 June from 10-2pm.
- To tie this into the refugee theme we have set up a 'Give a Little' page in which we will be raising money for sports equipment to donate to Refugees as Survivors NZ. For example, a participant may be sponsored \$5 per hour of service to donate to the page.

St Peter's College makes Strong Showing in Pompallier Shield Competition

On Wednesday 25 May, the 2016 Pompallier Shield Competition was held at Liston College in Henderson. This is a competition of oratory and scripture reading, held annually and involving all fifteen Catholic secondary schools north of the Bombay Hills. This year St Peter's fielded a strong team, under their coach **Dr Reid**. **Liam Powell** (13TRE) and **Max McIver** (10LYN) were commended for their senior and junior oratory. **Fulton Ryan** (10BOD) represented the college well in senior scripture reading and **Nikora Lanifole** (10ODR) valiantly answered in te reo the questions put to him after his Maori scripture reading. We are particularly proud of **Jack McConnell** (10TRE), who won the junior scripture reading cup, which was presented to him at Monday's assembly.

RSA YOUTH TOUR

Over the April school holidays I, **Liam Powell** (13TRE), along with **Josh Baptist** (13ODR) and around 20 other youth representatives from the Auckland District RSA, embarked on an incredible trip to Australia which gave us the experience of a lifetime. **Josh** and I had been nominated for this trip because of our involvement with 19 Squadron of the Air Training Corps and our Squadron's affiliation with the New Lynn RSA.

This trip, the Auckland District RSA/New South Wales RSL Reciprocal Youth Tour, has been operating for over fourteen years and in that time hundreds of Kiwi and Australian teenagers have had the opportunity to meet and experience each other's culture. Characteristic to these tours are the hour long concerts, unique to each tour except for the national anthems of each country and the traditional tour song ANZAC is their Name. Our concert had been refined over the course of three separate camps held at Motu Moana Scout Camp, which also gave us the opportunity to get to know each other before leaving for Australia.

After months of preparation, we assembled bleary-eyed and half asleep at Auckland International Airport to check in, saying goodbye to our families and loved ones at the gate with our haka, Tika Tonu. After a three hour flight (and several airport-security confiscated toiletries) we arrived at Sydney airport ready and raring to explore this new and exciting country. Taking the bus straight to the Hornsby RSL in North Sydney, we had an hour or so to prepare for our first concert for the RSL members there. Despite a few minor hiccups, the concert was a success and we met our first round of host families, with whom we stayed for about three nights. We were privileged to march in the parade for the dedication of the Hornsby War Memorial. Although we sustained a few casualties from fainting, we still managed to give a stirring rendition of the New Zealand national anthem to the crowds assembled.

After a few days in Hornsby, performing several concerts among other things, we left on the bus for Canberra, where we visited such attractions as the Australian Institute of Sport, Parliament House and the impressive Australian National War Memorial. Also of note was meeting the staff at the New Zealand High Commission, and performing our haka and Pokarekare Ana for them.

Once our time in Canberra was up we returned to Sydney and stayed with families (and a hotel for some) at the Fairfield/Canley Heights RSLs in the west of the city. The most notable event during this stay was of course ANZAC Day, when we attended the dawn service at the Fairfield RSL and then travelled by train into central Sydney for the main Sydney ANZAC Day parade. It was a great honour to be able to represent our country, the Auckland District RSAs and our families – as well as honouring the fallen – by marching in that parade.

After Fairfield/Canley Heights, we were then billeted with families linked to the Canterbury RSL. What followed were several action-packed days on an already action-packed tour seeing the sights of central Sydney such as the Centrepont Tower, Madame Tussaud's and the Sydney aquarium. On the final night of the tour we performed a farewell concert to all the host families from the tour as well as previous tour members. This was followed by a dance before going back to our host families for a well-earned rest.

We had one final half day with our host families before heading to the airport to fly back home. In a mirror image of our departure from New Zealand, we gave a final haka to our newfound Australian friends. The whole terminal of the airport stopped whatever they were doing to watch us. It was a moment when we all felt truly proud to be New Zealanders.

All in all it was a fantastic trip, and we were all very fortunate to have been given the opportunity to go. We are all indebted to our tour managers Mel, Wayne, Leo and Judith for their tireless efforts in organising and running our tour as well as our host families who took the time to look after us. I think I am correct in saying that I would recommend this tour to any other person our age as it was truly an amazing experience.

Volunteer Old Boy Needs Help

My name is **Luke Masters**, I left St Peter's last December. In my gap year in Malawi I have been working as a volunteer teacher at a rural government school called Khwawa community day secondary school.

This school is severely under resourced and relies largely on infrequent donations and an enormous amount of support from the local community of Khwawa. An area the school is particularly struggling in is the number of desks and the amount of equipment such as books, pens, and pencils per class. Students that are lucky enough to have a book to write in often find themselves without a desk to write on making learning very difficult. A majority of kids who attend the school have to be sponsored to pay school fees and kids are regularly dropping due to no longer being able to pay fees. The school also lacks many of the resources we take for granted such as Internet and basic stationery, sometimes we even find the teachers running out of chalk for the blackboards almost causing a complete halt to lessons. Despite this the kids turn up to school every morning with smiles on their faces and ready to learn, I'd love to see their smiles grow even wider when they realise they will all have a desk to sit at, a pen to write with, and a book to write in! We desperately need desks and equipment for 400 students. Please help me to give these kids the education everyone in New Zealand is so privileged to receive. Every donation big or small counts and is greatly appreciated. Our goal is to give these kids the education they deserve and we would be chuffed if you could all help us achieve this!

This is the give a little link and I have attached a couple of photos of myself and volunteer **Jack** and some of our students in a very empty classroom.

SPC Music

Music life is in full swing at St Peter's. After a very successful Band Camp over the weekend at Carey Park, all the groups are now in full momentum, and are starting to move onto the competition phase of the year, starting off with the Chamber Music Competition.

The Chamber Music Competition is an annual event run by the New Zealand Community Trust (NZCT) tasked with finding the best up and coming young aspiring chamber musicians. The competition is a national event, with participants coming from all over the country. The competition, now in its 51st year, is welcoming 5 groups from St Peter's, featuring the different styles of our music on offer, which we can see in the fact we have a Jazz Quintet along with 2 trios participating in the competition.

St Peter's has had a long participatory status in the competition, and this year our groups are working tirelessly to perform well enough on the day to qualify for later rounds. Along with the prowess that comes from winning the competition is the chance to experience professional musical life and the nerves that come with performance. This is also helped by the presence of the adjudicators, who after the heats will talk to each group and explain ways in which they can improve, stylistically, musically, and rhythmically.

The Music Department would like to wish our musicians a happy and successful chamber competition, and hope for positive results.

The season's next major event is the Auckland-wide cross-country event in Pukekohe on the 9th of June.

Rugby

1st XV secure two hard fought wins

The 1st XV have showed plenty of resolve and mental toughness over the past two weeks to secure narrow wins against Kings and St Kentigern. Playing Kings in the first home competition game of the season the Firsts were highly motivated to put in a performance the SPC community would be proud of. Going into the game Kings had been touted as the side to beat in 1A. St Peter's had edged out to a 12 – 7 midway through the second half. Kings responded with a controversial converted try. Winger, **Sioeli Fangupo** (13RIC), then took a magnificent kick off to retrieve the ball to enable St Peter's to launch another attack. A penalty ensued. Up stepped **Harry Plummer** (13ODR) who coolly slotted it to take his tally to 15 points for the day and a stunning 15 – 14 win.

Sport (continued)

No. 8 **Luteru Tolai** (13BOD) celebrated his 25th game for the 1st XV with an epic 9 – 7 win over St Kentigern last Saturday. The 1st XV played to the conditions better than their much vaunted opponents. With 10 minutes to go it was the 1st XV applying all the pressure. However, it took a last minute **Harry Plummer** penalty to seal the win.

Captain, **Aleks Dabek** (13BOD), and vice-captain, **Harry Plummer** are leading the side with composure and determination. Power lock **Cameron Suafoa** (13RIC) is playing superbly. Halfback, **Rilloy Suesue** (13ODR) is displaying excellent all round skills. Centre **AJ Lam** (13RIC) defence is a feature of his game. **Kalin Felise** (12NOL), **Calum McNab** (12ODR) and **Theo Steffany** (12ODR) are stepping up and are becoming key contributors to the sides performances. The sides defence has paved the way to securing the two impressive wins.

The team has enjoyed fantastic support over the first four rounds of the competition and are very appreciative of this. There are no games over Queens Birthday weekend. The next fixture is an away game against Otahuhu on June 11th, 2.30pm kick off. Get along and support the team.

Cycling

Six SPC cycling teams competed in the first of the 2016 AK Team Time Trial races held at the Pukekohe Race

Track held on Sunday, 29th May. The race was extremely challenging especially for the novice riders as weather

conditions were wet and all riders had to contend with a change in race format. On the hairpin bend, marshals from SPC had to attend to several crashes due to the slippery surface. However, the SPC teams managed to race incident free. Race results -
