## The Value of Exams

We are currently in the midst of exam season and a regular question our students ask staff is, "What is the point of exams?" The method of exams to assess learning has received bad press lately, particularly overseas. American Educational Psychologist, Joseph Renzulli has dismissed exams as the new version of the Three R's, "Ram, Remember and Regurgitate". The usefulness of any assessment is in the way it is written and how it is presented to students. At St Peter's our staff place a lot of emphasis on the development of their exams.

Our philosophy is that:

- Exams are a method to measure a student's learning at a point in time.
- They are a tool which enables teachers to provide current feedback to students and parents about learning.
- Revising for an exam in June, on a topic learnt in February, can generate another whole level of learning.
- Exams allow teachers to gauge their students' progress and identify strengths and weaknesses. Subsequent teaching can then be adjusted to recognise these.

Here at St Peter's, as indeed in all New Zealand schools, exams are just one of the many tools used to assess learning. Projects, essays, portfolios and practicals are just a few of the many assessments methods utilised.

Whilst we appreciate that exams can be stressful on boys and families the value of them is most certainly meaningful.

· Congratulations to Max McIver (9LYN) for winning the Junior Oratory Cup at the Pompallier Shield held at De La Salle last week

· Well done to Mr Fouhy who last week completed the entire 800km plus on foot of the Camino de Santiago

# From the Assistant Headmaster (Middle School) Michael Mullin

---

With the examinations completed in the Middle School for term two, it is a great chance for students to celebrate the success that they have achieved. Success comes in many different forms and all of them should be congratulated. Often it is only the students that top their class that stand out and are applauded, though at a recent assembly I discussed the importance of setting realistic goals and then celebrating when one works hard and achieves them.

Students that have struggled in the first term and then set a goal of passing all their examinations or look to achieve 65% in Mathematics and reach these targets should celebrate and be given praise by all. These students have shown determination and focus to reach a target and it is impressive that they have. Let us all celebrate students that achieve well and realise that through hard work and fortitude the young men can gain great reward.

Eisteddfod will occur in the last week of this term. An Eisteddfod is from Welsh tradition and is a festival of literature, music and performance. The tradition of such a meeting of Welsh artists dates back to at least the 12th century, when a festival of poetry and music was held in Cardigan in 1176. Here at St Peter's College Eisteddfod has been a part of the school for many years and the contest between all classes in the Middle School of literature, music and performance live on.

Each class performs a class poem, song and musical instrumental. Along with these individuals perform items in the same three categories. It is an impressive night where the talents of all students are on show and it is great each and every year seeing all the families and friends turn out to support the young men perform to their best.

With the weather getting very wet it is important the standard of uniform does not drop. As always St Peter's College expects all students to dress appropriately at all times to and from and at school. An essential item for many living in Auckland is a jacket, for students at this school there is only one jacket that is school regulation and this can be bought from the Edmunds Shop. St Peter's College sports jackets are for training and games only, they are not for students to wear at school during the day.

### Pompallier Shield Competition

St Peter's College was well represented in this year's Pompallier Shield Competition in which all 15 Catholic secondary schools in the Auckland diocese compete. The competition, held this year at De La Salle College on Wednesday 27 May, entails oratory and scripture reading in five categories. St Peter's was ably represented by five students from **Dr Reid's** Public Speaking group. They were **Chris Oleva** (senior oratory), **Owen Fletcher** (senior scripture reading), **Tanis Bosson** (Maori language scripture reading), **Stephen Magness** (junior scripture reading) and **Max McIver** (junior oratory). All five were commended by the adjudicators, but we were especially proud of **Max McIver** (Year 9), who won the competition cup for junior oratory. The cup was presented to **Max** by **Mr Bentley** in the following day's college assembly.

## Parking at School Gates

We ask that parents picking up students from the school gates on Mountain Rd do not park on the yellow lines outside school. This creates a hazard by causing a blind spot for cars wishing to turn out of the school gates.

Thank you for your co-operation.

## Winter Sport Commitment

Thank you to the vast majority of Parents who are supporting their son's with ensuring they are fulfilling their Winter Sports Obligations. Unfortunately there have been some boys over recent weeks who have not met the required level of commitment to their team and school.

Please support your son with the following;

- Correct gear for trainings and games.
- Attendance and timeliness for games and trainings.
- Communication to coach or manager when unable to attend a training or game due to sickness/injury.

Opting out during the season is not an option.

## Sports Code of Conduct

Please be mindful of the St Peter's Players and Spectator's Code of Conduct

### *Player's Code of Conduct*

- Play for the "fun of it" not just to please your parents or coach.
- Play hard but play by the rules.
- Never argue with the referee's decisions. Let your captain or coach ask any necessary questions.
- Recognise positive contributions made by team-mates and opposition
- Treat all players as you would like to be treated.
- Cooperate with your coach, team mates and opponents, for without them you don't have a game.
- Win with humility; lose with dignity.

### *Spectator's Code of Conduct*

- Remember that the boys play organised sports for their own fun.
- Any inappropriate behaviour reflects badly on your son, the team and St Peter's College.
- Applaud good play by St Peter's and the opposition.
- Show respect for your team's opponents. Without them there would be no games.
- Never ridicule or scold a player for making a mistake during a game.
- Condemn the use of violence in all forms.
- Respect the referee's decision.
- Encourage players to play according to the rules.

## St Peter's at the Under 20 Football Opening

Twenty six St Peter's College students were involved in the Opening Ceremony for the FIFA under 20 Football World Cup. This privilege was given to St Peter's College for their effort in selling over \$26,000 worth of tickets to the event. St Peter's was the top school in the country.

The 26 students were involved in the Parade of Nations. This is one of the important parts of the Opening Ceremony. It involved carrying out the flags of the 24 competing nations and the two FIFA flags.

**Mr Hadnett**

### Head of SPC Football

The flag bearing opportunity was an amazing experience. We went through a whole day and a half of rehearsals, where we got a taste of what the opening ceremony will be. On the day we had to arrive early on Saturday morning. The stadium was buzzing with security and FIFA officials. We were let in to the ground and went to our dressing room, where we were handed our supporters shirts that we were to wear for the opening and then keep.

The time had come for our part in the opening ceremony, I was nervous as I had to carry the first flag out (FIFA Flag). Once I was underway walking round the stadium filled with at least 15,000 supporters, I was feeling better. I got to my standing spot and I was feeling a lot more confident. Once Stan Walker started his performance all the boys were really up for it and waving their flags and getting into the music.

Once we all got back to the dressing room we were all happy and relieved it had gone so well. It was a once in a life time opportunity.

**Shannon D'Souza** - First XI member

## 1st V Basketball Report

This year with a young 1st V, led by **Wairakau Rose-Gates** as captain, we can expect many good games against other Central Zone Schools. Going up against teams like Mt Albert Grammar, Sacred Heart, Mt Roskill the year will provide plenty of challenges for the 1st V.

The season has started with a solid 2 wins and a loss. We kick-started the season on the 8th of May, up against Michael Park School. With the whole team overall playing well, we got the W with the final score of 61-53. The week after was against Auckland Grammar Open A, this too was also a hard fought game, with it being a tighter than the previous week. The side stepped up their intensity and recorded a 70-55 win. The following week was against Selwyn College, and with the team missing 5 key players due to injury, we struggled to gain the lead throughout the game. Though we had many comebacks and motion swings towards our team, it wasn't enough to get the win. Despite a very good effort we still have a long way to go, and we aren't letting this learning curve slow us down.

We would like to thank all of our supporters for our first 3 games, we are truly grateful for your presence. We encourage anyone that is keen to watch and support our 1st V play our hearts out every Friday afternoon, with all our games being at home, your support is always welcome.

We have an upcoming game this Friday the 5th of June, against One Tree Hill, we tip off at 5:30pm.

**Toffer Espinosa** – Basketball Code Captain

## 1st XI and 1st XV Home Games This Week

The 1st XI are playing at the cage on Friday vs Takapuna, 5.30pm kick off. They play an entertaining brand of football and are enjoying an excellent season to date.

The 1st XV are playing St Kentigern College on Saturday, 2.30pm kick off at the cage. The side are determined to bounce back from a disappointing performance against Mt Albert Grammar in their last outing.

Get along and support our 1st XI and 1st XV .

Old Boys Function on Saturday

After popular demand the Old Boys will be running a bar with food for Saturdays game against St Kentigern College in the hall. They will be open from 1pm – 5pm.

All friends and families are welcome. Eftpos available.

## Congratulations

**Chayse Martin-Roberts** – Selected as the only archery representative by the New Zealand Olympic Committee to compete at the Samoa 2015 Commonwealth Youth Games from 14th – 20th September 2015.

He is one of only 27 youth athletes selected by the NZOC and will be competing in the Cadet Men's Recurve division. This is the first time that an athlete from Archery NZ has been selected for the Commonwealth Youth Games; a fantastic achievement by him.

**Daniel Cameron** – Selected in the New Zealand Water Polo 200 Cadet Squad. He will travel to Sydney in July with the team to play in a tournament.

### Under 15 Fundraising

The Under 15 team is travelling to Christchurch in July. They will be playing games against St Thomas, St Bedes and Christchurch Boys High.

As part of their fundraising they will be selling SPC umbrellas and having a sausage sizzle on Saturday, 6 June at the Cage.
