## Effective Governance Essential

St Peter's was in a fortunate position when a number of our parents put their hands up to be on our Board of Trustees for the coming three year term. We are grateful to all candidates that stood.

Being a BOT member is an enormous time commitment. Each trustee sits on numerous committees that oversee the College, such as building projects, employment and finance. Having a strong Board with the necessary expertise and experience enables us as a school to continue to evolve. Their willingness to give back to our community is one we all greatly benefit from.

On behalf of the St Peter's community I would like to thank our retiring trustees **Suzanne Cornford, Jakub Kalinowski, Rob McDonnell, Susan Nihotte and Jay Raju**. We also welcome to the Board our new trustees **Brian Dickey, Alice Gallagher, Craig Mulholland and Paul Washer**.

- Congratulations to our Miss Saigon cast and crew. Last night's performance was exceptional and I urge you to come along; you will not be disappointed
- Well done to our Senior Choir for their stunning performance at The Big Sing (photo below).
- There was a great turnout at our Careers evening on Wednesday night.
- St Peter's has unfortunately been unable to find places for all the students that applied to enrol in 2017. Many of you will know some disappointed boys and families. Rest assured our enrolment process is fair and thorough, but the reality is this year we had well over twice as many applicants as places available.
- Congratulations Mr Kieran Fouhy who was recently awarded a Member of New Zealand Order of Merit (MNZM) for Services to Education.

Ma te Atua tātou e manaaki God's blessings

James Bentley

## Middle School News

Examinations have been completed by all the students and for many Year 7 students it was their first examination experience. It is understandable that many families were nervous about this first encounter. However, the reality is that this first experience, although nerve racking, will ultimately prove beneficial.

After results and test papers have been handed back, a plan can then be made with each student to analyse their performance and to set challenging, yet realistic goals for the Term 4 examinations.

The annual Eisteddfod Performances are happening in the last week of this term. This involves each class performing a song and a poem of their choice. Boys are also encouraged to enter the individual vocal and instrumental sections. **Year 8** will perform in the College Hall on **Tuesday 5th July commencing at 6-30pm** and **Year 7** will be on **Wednesday 6th July at 6-30pm**. All families are encouraged to come along and enjoy the evening.

Over the last several weeks one of our rugby teams has performed admirably in a Central zone competition. Our Open weight Rugby Team went through their tournament undefeated, and in doing so will represent St Peter's and Central Zone at the Auckland Champion of Champions Tournament in a fortnights time. The Year 8 Central zone Football team went through the tournament undefeated losing in the final 1-0 to Auckland Normal Intermediate. The players played extremely well and the goal they conceded in the final was one of only two goals conceded by them in whole tournament.

Week 8 will see St Peter's represented in the two remaining Central Zone competitions for this term when our Hockey and Table Tennis teams compete at their respective tournaments.

Best of luck to the boys involved in these sports.

## General News

This year, St. Peter's mission money collection is being collected to assist the Diocese of Dunedin with their Refugee Relocation Program. New families to New Zealand from Afghanistan and Syria will receive items such as kitchen tables and washing machines with the money collected. As part of the awareness and fundraising campaign, House Classes at St. Peter's were encouraged to challenge each other during the month of June to see which House Class could bring in the most funds. During Week One, 11 Rice challenged 11 O'Driscoll with the winning class duct taping the losing house teacher to the outside wall. **Mr. Cameron Sitters'** House Class from 11 O'Driscoll brought in an impressive \$256. **Ms. Jodi Kuran's** House Class from 11 Rice brought in just over \$200 so **Ms. Kuran** was duct taped to the wall on Friday, June 3rd during the lunch break. It was an exciting and fun opportunity for the whole school to learn more about the Refugee Relocation and to purchase extra strips of duct tape - with every dollar helping our sisters and brothers new to New Zealand.

The school has already raised over \$6,000 this year for the Refugee Relocation Program.

### Shave 4 a Cure

St Peter's College decided to participate this year in Shave for a Cure, which has been done before as a school but not in recent years, to help support and fundraise towards helping the 10,000 leukaemia and other blood cancer patients in New Zealand. Our team consisted of 13 students and teachers including our brave long serving school accountant **Mrs Bridie Abley** who played a pivotal role in getting the school into the event and getting everyone to give generously. As a team we decided that \$2000 would be a significant amount and with only a small amount of time to get the word out decided that that would be our goal. As a school

we were able to smash the goal and raise a total of \$12,633, which put St Peter's College as the top collectors in all of New Zealand. We would like to thank everyone for their kind donations and their amazing response to this cause. We hope that these donations will make a big difference to the lives of many and that the school can keep this event going yearly. You all truly did help us help others.

### Shared Memories / Shared Histories group

Our partner school will be arriving on Monday 27th and will stay with us for a week. Many, many thanks to the families who said they could help with hosting.

On Friday 1 July the French students, the Shared Memories group and the senior Kapahaka members will be conducting a ceremony at the Auckland museum at 11 am to commemorate the 100th anniversary of the beginning of the battle of the Somme, which was the official start of the Western Front campaign. This is the date France commemorates as the beginning of the war in France.

The work we have done is now shared on 2 sites: Our wiki [http://shared-memories.wikia.com/wiki/Main\\_Page](http://shared-memories.wikia.com/wiki/Main_Page) and the Shared Histories project website <http://sharedhistories.com/project-team/41-memories-rediscovered-responses-shared>

## Samoan Language Week

The Samoan Language Week celebrated during the 29th May to 4th June 2016, proved to be another success this year, with the Samoan Group Leaders taking part in leading initiatives at the school during the week. The highlight was the school Mass conducted by **Father Iosefo Timu**, from St Josephs' Parish, Grey Lynn. This was an interesting Mass as it involved Q&A in Samoan Language as the Priest quizzed the boys. The feedback from the boys was fascinating and they certainly enjoyed the group dialogue. Thank you to **Father Iosefo** for his contribution. During the same week, Samoans around the world celebrated 54 years of independence.

Then on Friday 3 June some of our Year 13 Samoan boys spent the day at Auckland Girls Grammar School, celebrating Samoan Independence Day. Samoan students from many schools across Auckland came together to celebrate this significant event for our nation.

Throughout the day the boys participated in many group activities, enjoyed Samoan food and got to witness & absorb the unique styles of Samoan Cultural dance.

*Senior students representing the College at the celebration of Samoan Language Week and Samoan Independence Day at Auckland Girls Grammar.*

We thank AGGS for inviting us & for the active role our boys were given to help facilitate the workshops & programme. Thank you also to our Parent Komiti member **Kalolo Toleafoa** who accompanied us on the day.

It was a great way to end Samoan Language Week. An exhilarating experience, celebrating our culture, developing our native language, reminding us to value & be proud of who we are as Samoans!

*Quote for the week: 'E taua le gagana ma le aganu'u aua o le fa'avae lea o lou fa'asinomaga'*

## Archery Report

The Archery shoot on a Friday at the school range has been an exciting one this Term.

Not only have we had all the archers present, Novices to Elite archers but we have also had our archery Coach **Rob Turner** in attendance.

All archers over the course of Term 2 and 3 will be coached by **Rob**, an extremely talented Internationally and Nationally recognised archery coach, we are so lucky to have him and all his expertise at St Peter's.

Before the end of Term 2 the Novices will begin their time with **Rob**, taking over from the Intermediate/Advanced group who can be seen in the photograph putting their skills to the test.

A big thank you also to all the parent helpers who come along on a Friday to help manage the range and support St Peter's archery squad. We couldn't do it without you!

## Intermediate Water Polo

This year we have 37 boys playing across year 7 and 8. This makes three teams – Gold, Blue and White with a mix of both year groups in all the teams.

We all play in the Auckland's Central League. We play our games at Epsom Girls on a Friday night and practise at Diocesan on a Monday night. All of our coaches are St Peter's Old Boys (**Dan Shanahan**, **Nathan Wood** and **Luke van der Sande**) and we have 3 student coaches (**Dan Cameron** (12LYN), **Sebastian McDonald** (12BOD) and **William Morrison** (12LYN)). We will also play some tournaments in term 3.

Our season has been going for 5 weeks including the grading sections. We have had a good number of wins and only two losses across the teams. Some of the boys have never played, some have played Flippa Ball and some boys who play water polo, so a very diverse group with lots of different abilities. We are looking forward to an action packed, fun and successful season.

## Auckland Cross-Country Champs

St Peter's was represented by 5 runners at the annual Auckland cross-country event at the A & P Showgrounds in Pukekohe. Injuries and senior exams limited our squad numbers this year. The conditions were much better than last year, without the rain and mud to affect the runners involved. **Liam Barry** (12TRE) again showed his good form by finishing 5th in the intermediate race, out of a field of 115 runners. **Sam Turner's**(10NOL) late surge gave him a respectable 32nd place in the same division. Our attention now turns to the NZSSAA cross-country in Rotorua, where our 6 runners will compete against the best in New Zealand.

Junior Grade: **Ben McConnell** (9RIC) 74th place – field of 107 runners

Intermediate Grade: **Liam Barry** (12TRE) 5th place  
**Sam Turner** (10NOL) 32nd place, **Daniel Neville** (10BOD) 53rd place – field of 105 runners

Senior Grade: **Jeffrey Wang** (13ODR) 50th place - field of 69 runners

### Side-by-Side Mentoring

Faith communities connecting with their families who have young children Side-by-Side Mentoring trains everyday people to be the link between our young families and our church community. It affirms parents/carers in their most important role of raising children, and offers the love, wisdom, and the experience of the faith community to support them. It is a voluntary ministry and so works around the time each mentor has available, as well as their preferred way of approaching and supporting people.

An information session for those interested in learning more about this program can be held at your parish or school at a time which best suits you.

Seasons for Growth is dedicated to the spirit of St Mary of the Cross Mackillop. A woman who believed in the dignity of every human being and encouraged all she met to, "never see a need without trying to do something about it." The writing of Seasons for Growth was inspired by this challenge.
