## What a show!

Last week saw the final curtain come down on our 2016 production – Miss Saigon. With 3,300 tickets sold, it has gone on to become our most popular production ever. It was wonderful to see our community, and those from our sister schools, embrace the show, which saw 9 out of the 10 performances sold out. The expertise in putting such a production together is mind boggling, one only needed to see the 'Helicopter scene' to know that this far exceeds what you would expect from an amateur production. The quality of the cast was sensational and all 78 boys and girls, as well as the musicians and backstage helpers, can be immensely proud of their efforts.

St Peter's College endeavours to ensure that our production is an annual event for us all to enjoy. Nonetheless we are reliant on the goodwill of our skilled creative team lead by **Mr John Hellyer**, whose ability to put on shows of this calibre is, I believe, without peer in this country.

Thank you to John, the cast, **Catherine Carr, Destiny Anderson, Daniel Van Walleggem, Claire Begovic** and your team for the countless hours and expertise you put into Miss Saigon.

Our gratitude to everyone who supported our show this year; stay tuned for the announcement of our 2017 extravaganza!

- Good luck for our Middle School Eisteddfod Performances next week
- Safe travels to our Classics trip which departs for Italy and Greece next week

Ma te Atua tātou e manaaki God's blessings

## STRATEGIC PLANNING PROJECT

Recently the Board and Headmaster of St Peter's College engaged Insight Plus, a Brisbane-based consultancy with considerable planning experience in both the educational and commercial sectors, to assist with the development of three to five year strategic plan for the College. Insight Plus has assisted Wellington College with its last four strategic plans. One of the Directors of Insight Plus, **Mark Vincent**, will lead the project.

In preparing the strategic plan, we are very conscious of the need to undertake an extensive consultation process with the school community in order to identify the school's strengths and weaknesses, the opportunities, challenges, and competitive pressures we face and the critical factors and qualities that make our College so distinctive and successful.

Initially interviews and a series of workshops will be held to raise issues and opportunities. These discussions will be conducted with a cross-section of senior staff, teachers, parents and students. Additional research will also be undertaken to better understand demographic drivers as well as trends and the future direction of education, both in New Zealand and internationally.

Our intention is to complete the plan by Term 3, 2016, ready for implementation beginning in Term 4, 2016.

The poster for Matariki 2016 features a dark blue night sky filled with bright, glowing stars. Below the stars, a horizon line shows a sunset or sunrise with orange and yellow light reflecting on a dark body of water. The text is overlaid on the right side of the image.

# Middle School News

The countdown to the end of the term has begun although there is still a great deal to be done.

Eisteddfod is of paramount importance so all classes are practising hard trying to have the winning song or poem. Bragging rights are on the line for each class so friendly rivalry and much banter is enjoyed by both teachers and students alike.

A reminder to parents that the Year 8 night is next Tuesday 5th July commencing at 6-30pm and the Year 7 night is on Wednesday 6th July at the same time. Please come and support your son's as they really enjoy your support.

## Upcoming events:

On the first Wednesday of next term beginning at 3.20 pm the Middle School have their parent teacher interviews in the College Hall. Interviews are booked through an online system and on Friday you will receive a comprehensive e-mail explaining how to do this. Please book a time to see your son's teacher.

Reports will be e-mailed home on the last Friday of this term so I encourage you to talk to your son about how he thinks he has achieved. This is also an excellent opportunity for you to help him set challenging academic goals for the final examinations in Term 4.

The Middle School is filled with exciting opportunities for your son in Term 3.

The Life Education Trust is here at the beginning of the term and this is enjoyed by all the students.

The DARE Programme is a course for the Year 8 students run by the police to highlight the dangers of harmful drugs in our society.

As always at St Peter's College life is busy and rewarding.

The Middle School staff wish all families a safe holiday where we can all recharge our batteries and come back refreshed and eager for another term at St Peter's College.

God Bless

Maurice McKinley

## Young Vinnies Can Drive!

This was a resounding success! For the second year in a row, SPC was involved whole heartedly in the "two can drive" which is organised by the Auckland City Mission.

Students, families and the the whole SPC community were very generous indeed in their donations. We thank them sincerely for their kindness.

Winter is a cruel season for our homeless and its comforting to know that we have contributed to ease their pain, in a small way.

Well done to the Young Vinnies who collected the cans before school.

Thank you for your time and support.

## Music

The NZCT Chamber Competition was held during Week 6 of Term 2 this year. Not only was it the culmination of all the hard work our 5 participating groups have put in, but also a way to show the rest of Auckland the high level of musicianship at our school, and receive feedback from prestigious members from the New Zealand music community. While none of our groups progressed further in the competition, we still found the competition to be a major success for our music department, particularly by the groups who now have more experience when it comes to performing to public audiences. The music department wishes to congratulate all members who participated in the competition.

## St Peter's College Maori and Pasifika Career Expo

St Peter's College will be hosting our Maori and Pasifika Career Expo on Thursday 11th August. This is an event open to all year groups and we would like to personally invite you and your family to attend. We would welcome your involvement to make it a huge success.

As before there will be a range of exhibitors and presentations starting from 5.30pm, including all major universities and maybe even a few old boys to inspire and mentor our young men. The aim of the evening is to invite students and their families to investigate the range of opportunities available to them and to give them a focus on the future.

Details for the evening:

**Date: Thursday 11th August**

**Time: 5.30pm to 7.30pm**

**Venue: St Peter's College, Mountain Road, Epsom**

## 2016 New Zealand Cross-Country Championships, Agrodome, Rotorua

The major event of the winter running season saw our young team of 6 runners, accompanied by 2 teachers make the journey south to Rotorua to face the toughest fields in the cross-country nationals. A well laid out and fast track at the Agrodome greeted the runners during the pre-race inspection on Friday afternoon. Strategies were finalised and all preparation was complete come race day. A cold, but dry Rotorua morning welcomed the 900+ runners at the venue on Saturday. Our trio of Year 10s - **Liam Back** (10TRE), **Daniel Neville** (10BOD) and **Sam Turner** (10NOL) - competed in the 4km junior race. Despite his recent bouts of knee injuries, **Liam** finished in 44th place, **Sam** followed in 55th and **Daniel** in 103rd, out of a field of 170 runners. Our senior trio of **Liam Barry** (12TRE), **Alex Mildenhall** (11TRE) and **Jeff Wang** (130DR) had to contend with the tougher 6km distance. Again, a fast-paced race saw **Liam** finish in 47th spot, **Alex** in 100th and **Jeff** in 171st out of a field of 217 runners.

Above: **Jeffery Wang**

The races gave our runners some excellent experience at the highest level and will serve well as preparation for the coming road race season in Term 3.

Above: **Sam Turner**

Any interested runners, Years 7 – 13 are welcome to join our squad each Tuesday and Thursday mornings at 7am.

## AKSS Team Time Trials Race 2 & 3

Better racing conditions and familiarity with the new race format produced improved race results in Race 2.

Junior E shaved a whopping 1:17 seconds off their time, Junior A - 46 seconds, Junior B - 41 seconds and Junior C - 28 seconds.

The conditions in Race 3 were awful - a lot of rain with a cooler temperature. Racing was delayed by 12 minutes due to the amount of water on the track after a particularly heavy downpour. Despite the conditions, SPC teams raced exceedingly well. Senior A placed 10th breaking into the top 10 for the first

time this year. Junior A raced producing the best placing of 8th.

ALL SPC teams improved their rankings despite slower times. Our two Year 13 senior boys, **Tim Magness** (13BOD) and **Liam Powell** (13TRE) took time out to ride as coaches with our two youngest teams to pass on their years of expertise.

## Middle School Hockey

On Monday the 20th of June the middle school hockey team took part in the central zone tournament held in Albany. A total of 5 games were played that day. The first game would prove to be the toughest game by far.

Drawn in the same pool as St Peters College were Waikowhai, Ponsonby and Ficino.

The boys took a while to get into the first game and the passing game suffered against a good Waikowhai team. There were opportunities, but again St Peters failed to convert these. But a stoic defence meant the match ended with a 0 – 0 draw. Games two and three proved to be much better with St Peters using width and their passing game improving. SPC v Ficino 3 – 0, SPC v Ponsonby 1 – 0.

The results, meant that we would finish top of the pool on Goal differential.

The semi-final was verses last year's winners, Remuera Intermediate. The team decided that it was best to field a keeper in this game, so **Connor McLeod** (8KYN) donned the gear for this game. SPC took the early lead through a great passing phase up the wing ending with a good cross to the far post that was put into the goal. RI had a vicious counter attack only to be stopped by a charging **McLeod** who not only took out the ball but the opposition as well. The initiative was still in SPC's hands. Game ended with a 2 – 0 win. SPC were into the central zone finals.

To gain entry to the intercity tournament we would have to beat Auckland Normal Intermediate, who's midfield were stacked with club representatives. This would be SPC's most difficult game. ANI had a very good side who could distribute the ball to all areas of the turf very effectively. Spirit, pride and commitment were key components of the game and we started gain some momentum at the front and

our forwards through **Ethan Dissmeyer** (7NOL), who flanked the ANI midfield. Leaving their defence open to our superior speed and aggression. Goals from **Matthew Thorpe** (8BOD) came through great team play. A special effort from the back led by **Johnny Mayerhofler** (8ODR) and **Connor Mcleod** kept the ANI attack out of our circle. The final whistle sounded to leave SPC champions of the Central Zone. No goals conceded in their tournament, a feat not equalled since their coach; old boy **Tim Leahy** played and won central zone with the SPC middle school team in 2007/2008.

A big congratulations to the team for this monumental effort. A special thank you the coach **Tim Leahy**, manager **Toni** and other parents who were there to support their sons in this memorable moment in SPC hockey history.

Good luck to the team as they head to the Interzone competition in term 3.

## St Peters School Run

Kiwi Coaches and HCD Transport would like to notify the parents/guardians of pupils who travel on the Waterview, Pt Chev, Grey Lynn school bus run that as of the Monday 25<sup>th</sup> July, 1<sup>st</sup> day of Term 3 Kiwi Coaches will take over operating the school run.

There will be no change to either time or routes either to or from school.

**There is a small increase in fares**

There will also be a change in the method of payment.

Kiwi Coaches operates a card system that is prepaid. **NO CASH ON BUS** (All payments to office)

You can either pay by term or Auto payment weekly / fortnightly.

We can also work out part weeks depending on no. rides per week estimated

This has been a very successful system with our other 14 school runs. (Over 700 pupils) for 10yrs

Please in the first instance go to our web page

[www.kiwicoaches.com](http://www.kiwicoaches.com)

then go to [School Bus Services](#), and in the school put [St Peters College](#) and fill out details

This will help us create invoices and the Card which has to be swiped on the computer on entry.

All our buses are on GPS and Radio Telephoned for timing and safety requirements

There is a link [bit.ly/Klzxxy](http://bit.ly/Klzxxy) which allows you to live track the school bus

We are happy to discuss any questions with you if you would like to Phone our office on 6365232  
And talk with either Temarama, Satish or Calvin

Both Companies would like to take this opportunity to thank you for your continued support.
