End of Term!

“We shall not cease from exploration

And the end of all our exploring

Will be to arrive where we started

And know the place for the first time”

(T S Eliot: Four Quartets)

That could be the purpose of education – to explore and to arrive!

Well done on a great term on so many layers: the classroom, the music, the sport, the high attendance, the dinners, the games, the socials etc.

They have ended for term 3.

Staff

Graeme Martin (ex Macleans College) has been appointed Deputy Headmaster Curriculum as from next year. An experienced practitioner on many levels.

We wish Graeme well in his new position of curriculum overview.
