COURSE DESCRIPTION	
<p>At Level 3, the Theology and Philosophy department offers 4 achievement standards, each worth 6 credits, each assessed internally.</p> <p>The first standard looks at the Catholic Church's understanding of the ethics of Abortion. In the second students explore the founding of the Catholic Church in Aotearoa New Zealand and the effect it has had on society today.</p> <p>The book of Revelation takes centre stage in the third standard comparing the literalist and historical-critical interpretations of such famous symbols as the beast, 666 and the seventh seal. In the final standard students compare and contrast Christian and secular worldviews</p>	

Year 13 NCEA: Waikato

CREDITS	COURSE COSTS
N/A	\$16
ENTRY REQUIREMENTS: Students must apply to and be accepted by the University of Waikato. Minimum requirements to apply: CIE: 170 points. NCEA: Level 2 Merit Endorsement (50 credits at Merit or above)	
COURSE DESCRIPTION	
<p>St Peter's College has teamed up with the University of Waikato to offer students a first-year university correspondence paper in Moral Philosophy. Coordinated and led by a teacher from St Peter's College, students begin the two-term course by studying contemporary ethical theories: Utilitarianism, Deontology/Kantian Ethics and Virtue Ethics. They then progress to debates in applied ethics including euthanasia, abortion, animal rights, privacy, the justification of criminal punishment, genetic enhancement, pornography and freedom of expression.</p> <p>Students submit three research essays online, demonstrating both understanding and critical philosophical engagement with one moral theory and two issues in applied ethics. They are also assessed once a week for their willingness and ability to discuss and debate these topics rationally in class.</p>

Level 3: Accounting

CREDITS	COURSE COSTS	LEADS INTO
22 (13 Internal / 9 External)	Course Book \$35	Tertiary education as this is a university approved subject.

ENTRY REQUIREMENTS: 14 credits in Level 2 Accounting or approval from the Head of Faculty

COURSE DESCRIPTION

This syllabus challenges boys to develop their financial skills to a higher degree than that has been learned across the Level 2 Accounting course. Level 3 is a natural progression from Level 2 with a development of skills that integrate directly with level one Commerce University courses. Students will manage the financial affairs of individuals, whanau, and small, medium and large entities, including companies to enable internal and external users to make effective and ethical decisions. Pupils will also make use of appropriate communication tools and skills to process, report, and interpret information using various Accounting systems and methods of processing Accounting data. Level 3 Accounting is very practical, and a number of the assessments require students to be financial and managerial advisers in a variety of modern economic and business contexts. The Level 3 Accounting course consists of the following Achievement Standards which are a mixture of written reports and calculations:

Achievement Standard 3.6 (Internal) – Job Cost Subsystems

Demonstrate understanding of a job cost subsystem for an entity

Achievement Standard 3.2 (Internal) – Partnerships

Demonstrate understanding of accounting for partnerships

Achievement Standard 3.4 (Internal) – Report preparing

Prepare a report for an external user that interprets the annual report of a New Zealand reporting entity

Achievement Standard 3.5 (External) – Management Accounting

Demonstrate understanding of management accounting to inform decision making.

Achievement Standard 3.3 (External) – Preparing Financial Information

Demonstrate understanding of company financial statement preparation

Level 3: Business Studies

CREDITS	COURSE COSTS
25 (21 Internal / 4 External)	Nil
ENTRY REQUIREMENTS: : 14 credits in Business Studies, Maths or English NCEA Level 2; or at the discretion of the Head of Faculty	
COURSE DESCRIPTION	
<p>The context of this course is large global businesses. The study of business is about how individuals and groups of people organise, plan, and act to create and develop goods and services to satisfy customers. Business is influenced by and impacts on the cultural, ethical, environmental, political, and economic conditions of the day. Issues such as sustainability, citizenship, enterprise, and globalisation are central to both business and the study of business.</p> <p>The knowledge and skills gained in business studies, and exposure to enterprise culture, can help shape “creative, energetic, and enterprising” young people who will contribute to New Zealand’s economic future. In business studies, students develop their understanding of business theory and practices in a range of relevant contexts, through experiential as well as theoretical approaches to learning. Business studies has natural links to the social sciences learning area. Contexts for business can also be drawn from other learning areas, such as technology. Topics covered include: marketing, management and human resources.</p>	

Level 3: Economics

CREDITS	COURSE COSTS
24 (10 Internal / 14 External)	\$35 (Course Book)
ENTRY REQUIREMENTS: 14 Credits in Level 1 Economics, English or Mathematics	
COURSE DESCRIPTION	
<p>Students will study basic economic concepts and principles, and their application to current issues; the interrelationships between economic, social and political events; resource allocation via the market system and the public sector; aggregate economic activity and policy. Students will develop their learning through discussion and study of economic literature. This is a self-contained course and while completion of Level Two Economics is preferable, it is not essential and students with satisfactory grades in Level 2 English and/or Mathematics may study Level 3 Economics.</p>	

ENGLISH FACULTYHead of Faculty: Miss Rebecca O'Leary: roleary@st-peters.school.nz**Level 3: English**

CREDITS	COURSE COSTS
25 (17 Internal/8 External)	\$15
ENTRY REQUIREMENTS: 14 credits in Level 2 English	
COURSE DESCRIPTION	
Where Level 2 English sought to give students an understanding of techniques and concepts through analysis, Level 3 demands that the students begin to become critically analytical and appreciative of concepts. Level 3 English is designed to equip students with a range of tools that will prepare them for life at tertiary level. To be successful in this course students need to be self-managing and highly motivated. By the end of this course students will feel confident in their ability to interact and process the information that faces them once they leave school.	

**Level 3: English International
(English for speakers of other languages)**

CREDITS	COURSE COSTS
20 Level 2 English/English Language or Level 4 EAP credits (approximately). The course of study depends on ability and numbers of students.	Nil but students will need to buy the recommended Grammar Text they will use in all years they study at St Peter's College. Details available from their ESOL teacher and the book is for sale at the stationery shop.
ENTRY REQUIREMENTS: Intermediate English	
COURSE DESCRIPTION	
Year 13 English International is focused on the transition of English Language Learners to tertiary study. Along with fluency in English they develop confidence in conceptual and critical thinking skills. This course is designed to allow students to study toward the literacy credits necessary for University Entrance. It also prepares them with key skills needed for achieving success at university.	

Level 3: Media Studies	
CREDITS	COURSE COSTS
20 (16 Internal / 4 External)	
ENTRY REQUIREMENTS: 14 Credits at Level 2 English and a minimum of an Achieved in the 'Visual Text' External	
COURSE DESCRIPTION	
<p>This course is for students who are interested in gaining a wider understanding of the technical and social aspects of Media. This includes analytical viewing and deconstruction of texts, as well as creation of a short film. Students will become familiar with the detailed processes of Media and the huge role and impact Media has on wider society. Students will be required to do more than simply observe; they will need to consider how a media text is constructed, the message it is sending and how different critical lenses could be applied to it. The course offers students opportunities to gain a range of Level 3 Internal and External credits.</p>

Geography Skills for NCEA Level 3 workbook by Justin Peat

ENTRY REQUIREMENTS: 14 Credits in Level 2 Geography or 14 Credits in Level 2 English

COURSE DESCRIPTION

Geography is the study of the environment as the home of people. It seeks to interpret the world and how it changes over time – past, present, and future. It explores the relationships and connections between people and both natural and cultural environments. Geography investigates the ways in which features are arranged on the earth's surface. It describes and explains the patterns and processes that create them. Students learn to think spatially and use maps, visual images and new technologies to obtain, present and analyse information. The topics covered include: Cultural processes – Tourism, geographic skills, Human Trafficking, significant events, global issues and a comprehensive geographic research component.

Level 3: History

CREDITS

25 (15 Internal / 10 External)

COURSE COSTS

Nil

ENTRY REQUIREMENTS: 14 credits in Level 2 History or English

COURSE DESCRIPTION

This course builds upon the foundations of Level 1 and Level 2 History. Both the internal and external assessments are of a similar nature to the Level 2 History course, but require a substantial understanding of historical themes such as 'causes and consequences', 'historical trends and forces', and 'perspectives of contested historical events'. The depth of thinking, writing and organisation of information is of a high standard, designed to equip students for further tertiary study.

A thorough understanding of historical sources, their advantages, limitations and usefulness towards historical study is also undertaken. Key themes and contexts are chosen each year and relate to contested events in history. Various contexts are studied and explored in depth to provide a broad coverage for senior History students. This course also links in well with Scholarship History, which is theme-based and explores a decontextualised theme each year.

LANGUAGES FACULTY

Head of Faculty: Mrs Margaret Ubels-Rattray: mubels@st-peters.school.nz

Level 3: Chinese

CREDITS	COURSE COSTS	LEADS INTO
