

Announcements from the Headmaster:

March 15, 3pm:

Dear Parents,

You would have seen the notification of the Governments new measures to contain the coronavirus.

At this stage no new measures for schools have been introduced, however this could change at anytime.

To mitigate the risk of infection the following practices have been introduced at St Peter's:

- hand sanitisers are to be located in classrooms*
- no handshaking*

Additionally, all boys who are unwell should stay home and return to school when healthy.

We are aware that this crisis could cause anxiety to some of our students. Therefore it is important we keep to the same routines as much as possible.

We are in unparalleled times, and disruption to our daily lives is inevitable. Nevertheless, like any crisis it will pass, but for now we must trust our authorities to guide us through this.

Ma te Atua tātou e manaaki God's blessings

*James Bentley
Headmaster*
