COURSE DESCRIPTION

Level 2 Economics includes the exploration of the macro-economic issues of international trade, economic growth, inflation and unemployment. Students will develop their learning through discussion, research and study of economic literature. This is a self-contained course and while completion of Level 1 economics is preferable, it is not essential and students with satisfactory grades in Level 1 English and/or Mathematics may study Level 2 Economics.

ENGLISH FACULTYHead of Faculty: Mr Stacy Humpage: shumpage@st-peters.school.nz**Level 2: Media Studies**

CREDITS	COURSE COSTS	LEADS INTO
Approximately 21 (16 Internal / 4 External)	\$15	Level 3 Media Studies
ENTRY REQUIREMENTS: 14 credits at Level 1 English and a minimum of an achieved in the 'Visual Text' External and/or the 'Close Viewing' Internal		
COURSE DESCRIPTION		
<p>This exciting course is for students who are interested in gaining a wider understanding of the technical and social aspects of Media (film, television, radio, podcasts, music, advertising, social media). This includes analytical viewing and deconstruction of texts, as well as the study of a specific genre and the creation of a film production. They will learn how to use camera techniques, editing software and scriptwriting. Students will study how Media reflects past and current issues in society through certain representation and biases. Students will need to consider how a media text is constructed, the message it is sending and how different critical lenses could be applied to it. The course offers students opportunities to gain a range of Level 2 Internal and External credits. Level 2 Media offers an introduction to the subject, and it is a recommended prerequisite for those who are wanting to take it in Year 13, and later pursue a career in the Media.</p>		

HUMANITIES FACULTY

Head of Faculty Mr Jakub Kalinowski: jkalinowski@st-peters.school.nz

Level 2: Geography

CREDITS	COURSE COSTS	LEADS INTO
19 (11 Internal / 8 External)	Geography Skills for NCEA Level 2 workbook by Justin Peat	Level 3 Geography
ENTRY REQUIREMENTS: 14 Credits in Level 1 Geography/ 14 Credits in Level 1 English (including one external standard)		
COURSE DESCRIPTION		
<p>Geography is the study of the environment as the home of people. It seeks to interpret the world and how it changes over time – past, present, and future. It explores the relationships and connections between people and both natural and cultural environments. Geography investigates the ways in which features are arranged on the earth's surface. It describes and explains the patterns and processes that create them. Students learn to think spatially and use maps, visual images and new technologies to obtain, present and analyse information. Topics studied include differences in development, wealth disparities and inequalities, urban patterns and distribution of services, urban land usage and growth as well as a geographic skills component.</p>		

Level 2: History

CREDITS	COURSE COSTS	LEADS INTO
23 (14 Internal / 9 External)	Nil	Level 3 History
ENTRY REQUIREMENTS: 14 Credits in Level 1 History/ 14 Credits in Level 1 English		
COURSE DESCRIPTION		
<p>This course builds upon the foundation of Level 1 History. Both the internal and external assessments are of a similar nature to the Level 1 History course, but require a deeper understanding of changes and historic movements occurring over a significant period of time. There is a strong literacy component as students are required to write engaging essays and be able to explain their points in depth. An understanding of historical sources, their advantages, limitations and usefulness towards historical study is also undertaken.</p> <p>As in Level 1 History, a two-part research component is offered, allowing students to research a topic of their own choice and put together a portfolio of their research findings. The main themes offered in Level 2 History relate to independence movements and protests such as the Mau Movement.</p>

ENTRY REQUIREMENTS: 14 Credits in Level 1 Science including 4 external credits in the Chemistry standard, or E grade or above in IGCSE Chemistry

COURSE DESCRIPTION

Level 2 Chemistry is a course which builds on Level 1 Science.

The internals are based on practical work and the externals are theory based. Level 2 Chemistry is a prerequisite for Level 3 Chemistry.

Level 2: Physics

CREDITS	COURSE COSTS	LEADS INTO
22 (10 Internal / 12 External)	\$15	Level 3 Physics

ENTRY REQUIREMENTS:

ENTRY REQUIREMENTS: 14 Credits in Level 1 Science including 8 external credits in the Mechanics & Electromagnetism Physics standard, plus an external pass in Mathematics AS91028 Relationships (or Merit in MCAT 91027), or D grade or above in IGCSE Physics. This will be strictly enforced. **NOTE; Boys who wish to continue in Physics to Level 3 will also need to pass an external standard in Calculus at level 2. It is also recommended that level 3 Physics students take Level 3 Mathematics with Calculus.**

COURSE DESCRIPTION Level 2 Physics NCEA is a course which builds on Physics learning from Level 1 Science. This course has 22 available credits in 5 achievement standards.

The internal achievement standards include a 4 credit practical based standard, a 3 credit Integrated Physics standard and a 3 credit Nuclear and Atomic Physics standard. Two 6 credit external standards covering Mechanics and Electricity and Electromagnetism are sat in November. Level 2 NCEA Physics is a prerequisite for Level 3 physics. As is an external pass in Calculus in level 2 Mathematics.

TECHNOLOGY FACULTY

Head of Faculty: Mrs Amoure Homburg: ahomburg@st-peters.school.nz

Level 2: Design & Visual Communication (DVC)

CREDITS	COURSE COSTS	LEADS INTO
21 (15 Internal / 6 External)	\$100 plus DVC Pack approx. \$52	Level 3 Design & Visual Communication

ENTRY REQUIREMENTS: 15 credits at Level 1, successful completion of AS91068 and AS91063

COURSE DESCRIPTION

Students will build on valuable skills learnt in Level 1 DVC to produce two design portfolios focussing on Spatial and Product design.

They will use a combination of:

- 2D and 3D freehand sketches that communicate design ideas
- Instrumental drawings to convey design choices
- Use rendering techniques to show the form and function of design ideas
- Create portfolios of design work using visual communication strategies

Students will undertake the design process to produce creative outcomes that address a given brief. This course will teach students critical thinking and problem solving using industry knowledge appropriate to creative design.

Please note: the design portfolio encompasses all available credits (including external credits). There are no exams for this subject. Students require their own personal laptop for this course.

Level 2: Hard Materials (Carpentry)

CREDITS	COURSE COSTS	LEADS INTO

ENTRY REQUIREMENTS: At least 15 credits in Level 1 Hard Materials

COURSE DESCRIPTION

This Unit Standard course is made up of practical and theory aspects of Building and Construction. The practical outcomes produced by the students mesh with the theory content of the course at all times. The student outcomes are constructed in such a way as to give them the maximum number of learning experiences of common Carpentry practices. An interest in a career in Carpentry, Building and Cabinetry is recommended. A strong, practical work ethic is required for success in this course.

Topics studied are:

- Use of Power tools for the trades
- Fixed machinery
- Work Safety
- Garden Furniture Manufacture

TECHNOLOGY FACULTY continuedHead of Faculty: Mrs Amoure Homburg: ahomburg@st-peters.school.nz**Level 2: Hospitality**

CREDITS	COURSE COSTS	LEADS INTO
20 Credits	Food Resources \$140, Uniform approx. \$95 (excluding uniform items already purchased for Level 1). Workbooks will be supplied.	Level 3 Hospitality

ENTRY REQUIREMENTS: A minimum of 15 credits in Level 1 Hospitality.**COURSE DESCRIPTION**

In this course, students follow prescribed workbooks at Level 2 in the Cookery, Food and Beverage and Generic Hospitality domains. The course is underwritten by the Manukau Institute of Technology. Assessment is based on completed workbooks, theory examinations and 3 practical assessments at MIT.

Theory work comprises 40% of the course work. Successful students are awarded credits at Level 2 as well as certificates of achievement from MIT. Students have an opportunity to not only achieve NCEA credits but gain a MIT Certificate in Basic Culinary Skills, Kitchen Hygiene and the Art of Coffee. These Unit Standards can be used as entry for Certificate and Diploma studies at AUT, MIT and other Hospitality Industry Training Organisations.

A commitment to practicing recipes at home on a regular basis, as part of the homework requirement for this subject is essential for success. This will require a commitment of at least 5 hours per week.
