

St Peter's Squash 2021

St Peter's is ready and looking forward to the upcoming season. We want your sons to enjoy the many benefits in playing Squash for the school. These include:

- Greater sense of belonging to and pride in representing St Peter's.
- Further opportunity to develop friendships.

Teams being offer in 2021:

We will also be running a training/coaching session once a week in term 2 for year 7-10 boys, which will conclude with an intraschool competition.

Aaron Pascoe and Mike Maitland will be running the Squash season this year – many thanks to them. Claire Begovic will be Teach in Charge.

Requirements:

1. Attend all training times. If you cannot make it to training or to a game you must contact your coach/manger to let them know 24 hours beforehand.
2. The cost per player is \$40.00. Once trials have been completed and the teams confirmed your SPC account will be charged. You can pay this fee via the SPC Portal or internet banking. Please do not pay before your son's place in a team has been announced.
3. **Eye protection** is recommended for all senior grades, and mandatory for Junior Grades.

Uniform

Boys must wear a SPC PE uniform for all games. The boys will also have to have their own squash racquets. All students must wear non-marking soled sneakers/squash shoes.

Parental Assistance: All teams are required to have adult managers accompanying them to all games. We need a parent manager in each team, so once teams have been announced, I will email the teams asking for volunteers.
