

St Peter's College Snowsports -2023

St Peter's is ready and looking forward to the upcoming season. We want to gauge the interest regarding the North Island Skiing and Snowboarding Championships to be held at Mt Ruapehu in September.

All ability levels are welcome, skiers/snowboarders do not need to have racing experience and skill to attend the sessions. The teams will be selected later in the term. Training sessions are available but a minimum of 8 pupils are required for this to proceed. Previously pupils have preferred free-ski sessions.

Historically St Peter's College has had more pupils participating in Skiing than snowboarding. We are very keen to have Snowboarders join the SPC Snow sports team. Snowboarders can join the Ski team for training sessions.
