

Year 9 Course Outline

At St Peter's College our goal is to give our junior students exposure to a broad and diverse curriculum. This will allow boys from Year 10 to choose subjects they enjoy and are interested in.

Students will study throughout the year:

- English
- Mathematics
- Theology and Philosophy
- Science
- Humanities (History & Geography)
- Leadership
- Physical Education
- Health
- Music

Additionally, students study subjects for two terms on a rotational basis. These are:

- Art
- Coding
- Design Visual Communication
- Hard Materials
- Sports Science
- Maori
- Chinese

Students also get to choose to study a third language for two terms

- Spanish or Latin
