

Year 7 Overview

| Subject           | Term 1   | Term 2  | Term 3                                     | Term 4   |
|-------------------|--|---|--|--|
| English           | <b>Features and conventions of fictions suspense genre</b>       | <b>pre 20th century fiction</b>                 | <b>Non-fiction texts to inform</b>         | <b>Features of science fiction and fantasy</b>   |
|                   | <i>Non-fiction text to inform, explain, persuade and comment</i> | <i>writing descriptive narrative</i>            | <i>explain, persuade and comment.</i>      | <b>genres.</b>                                   |
|                   |  | <b>Poetry narrative and non - narrative</b>     | <b>Speeches</b>                            | <b>20th Century poetry</b>                       |
|                   | <i>Writers Tool Box sentences types</i>                          | <i>poems from different cultures</i>            | <i>Writers Tool Box sentences types</i>    |  |
|                   | <i>Laywer pararaph</i>   |   | <i>Laywer, Hammar multi purpose</i>        | <b>End of Year Revision</b>                      |
|                   |  | <i>Writers Tool Box sentences types</i>         | <i>paragraph</i>                           | <b>End of Year Examination</b>                   |
|                   | <i>Reading comprehension skills</i>                              | <i>Laywer, Hammar pararaph</i>                  |  |  |
|                   | <i>Inferencing skills</i>  |   | <i>Reading comprehension skills</i>        |  |
|                   | <i>Decoding skills</i>   | <i>Reading comprehension skills</i>             | <i>Inferencing skills</i>                  |  |
|                   |  | <i>Inferencing skills</i>                       | <i>Decoding skills</i>                     |  |
|                   |  | <i>Decoding skills</i>                          |  |  |
|                   |  |   |  |  |
|                   |  | <b>Mid - Year Revision</b>                      |  |  |
|                   |  | <b>Mid - Year Examination</b>                   |  |  |
| Geography/History | <b>To tatou whenua : our country</b>                             | <b>Te Tiriti O Waitangi</b>                     | <b>Opportunities/challenges faced</b>      | <b>Experiences of different cultural, faith-</b> |
|                   | <b>Te Aro : the world</b>  |   | <b>by different people in</b>              | <b>based, and disabled communities in NZ</b>     |
|                   |  | <i>Skills: Mapping, paragraphs, timelines</i>   | <b>creating our diverse society.</b>       |  |
|                   | <i>Skills: Mapping, place names, Geography skills</i>            |   |  | <b>End of Year Revision</b>                      |
|                   |  | <b>Mid - Year Revision</b>                      |  | <b>End of Year Examination</b>                   |
|                   |  | <b>Mid - Year Examination</b>                   |  |  |
|                   |  |   |  |  |
| Mathematics       | <b>Number</b>  | <b>Fractions</b>                                | <b>Fractions, decimals and percentage</b>  | <b>End of Year Revision</b>                      |
|                   | <i>Add, sub, mult, divi. Place value, Decimals, Rounding,</i>    | <i>Adding, subtracting, mulitply, fractions</i> | <i>equivalent fractions and decimals,</i>  | <b>End of Year Examination</b>                   |
|                   | <i>Negative numbers, Order of operation.</i>                     | <i>equivalent, order of operations into</i>     | <i>add, sub and multiplying of dec,</i>    |  |
|                   | <b>Algebra</b>   | <i>fractions.</i>                               | <i>Understanding %, fractions, dec.</i>    |  |
|                   | <i>Expressions and simplifying</i>                               | <b>Algebra</b>                                  | <i>Finding % of a amount.</i>              |  |
|                   | <b>Number</b>  | <i>subsitution, solving equations.</i>          | <b>Data</b>                                |  |
|                   | <i>Multiples and Factors, Multiplying and Dividing</i>           |   | <i>Bar charts, Pie Charts.</i>             |  |
|                   | <b>Length and Mass</b>   | <b>Mid - Year Revision</b>                      | <b>Ratio</b>                               |  |
|                   | <i>Of different shapes</i>                                       | <b>Mid - Year Examination</b>                   | <i>simplying ratios and proportion.</i>    |  |
|                   |  |   | <b>Area, perimeter and volume</b>          |  |
|                   |  | <b>Data</b>                                     | <i>area of units, perimeter of shapes,</i> |  |
|                   |  | <i>collecting, averages, ranges</i>             | <i>volume of cuboids.</i>                  |  |
|                   |  | <b>Shape and constructions</b>                  |  |  |

|          |                                  |   |                                    |  |
|----------|----------------------------------|---|------------------------------------|--|
|          |                                  | <i>lines and angles, measuring angles</i> |                                    |  |
|          |                                  | <b>Geometry</b>                           |                                    |  |
|          |                                  | <i>shapes, relationships with angles</i>  |                                    |  |
|          |                                  |   |                                    |  |
|          |                                  |   |                                    |  |
|          |                                  |   |                                    |  |
|          |                                  |   |                                    |  |
|          |                                  |   |                                    |  |
| Science  | Characteristics of living things | Forces and Motion                         | Cells                              | Acids and Bases                                    |
|          | Major Organ Systems              | Living things and their Environment       | States of Matter                   | Planet Earth and Beyond                            |
|          | Rocks and Soil                   |   | Properties of Matter and Materials |  |
|          | Measurements                     | <b>Mid - Year Revision</b>                | Microorganisms                     | <b>End of Year Revision</b>                        |
|          | Science Techniques/ Fair Testing | <b>Mid - Year Examination</b>             | Classification and Variation       | <b>End of Year Examination</b>                     |
|          |                                  |   |                                    |  |
|          |                                  | Energy                                    |                                    | Tiritiri matangi trip prep                         |
|          |                                  | Energy Transfers                          |                                    |  |
|          |                                  |   |                                    |  |
| Theology | Introduction to Theology at SPC  | Ascension of Our Lord                     | Christian Beliefs                  | Liturgical Year                                    |
