

## 2024 FOOTBALL INFORMATION – Years 7 and 8.

St Peter's College aligns with **Central United Football Club** for registration and entry into the Auckland competition.

Any Year 7 and 8 students who want to represent the school at Central Zone, Inter-School exchanges and/or AIMS must represent the school in weekend or after-school sports teams in that chosen sport.

The expectation is **all** eligible boys make themselves available for a St Peter's College football team.

Trials for year 7A Team and year 8A Team are currently taking place through the Development Trial Process, during Middleschool Sport.

All players outside of these teams will be placed into a team by Mr Hogg, Director of Football.

The Year 7A Team and Year 8A Team will train on Wednesdays through Development programme during Middleschool Sport. All other teams will be allocated a day before/afterschool that suits their coach.

Last year we had 9 Saturday football teams in the Middleschool. The aim this year is to further build on the successes of 2023. The off the field activities allowed parents new to the school to get to know each other and the boys to forge new friendships and establish a greater sense of belonging to St Peter's College.

### Season Information:

**Games:** First Game: Sat 27 Apr

**Fields:** Year 7 Teams: 9 aside on half pitches

**Registration process (2 steps):**

- 1) Please register online on the Central United website (see below instructions for Central registrations – instructions differ for year 7 and 8)

**AND:**

- 2) Please fill out the following SPC google doc:

<https://docs.google.com/forms/d/1A24QxbM61JJvvi5nxZkFQoYvK4OTs8QWaNl9Pw8aSdA/edit>

You must complete both of above to ensure your son gets placed into a team.

**Registrations close Friday 15th March.**

**Teams will be announced Wednesday 20th March once registrations are closed.**

If you are interested or able to coach or manage your son's team, please can you email [sberkeley@st-peters.school.nz](mailto:sberkeley@st-peters.school.nz) or register your interest on the google doc.

This is extremely important as all teams need a coach and manager, and due to the large number of school football teams, we do not have enough staff to coach, and therefore rely heavily on parental help.

There will be an information meeting for coaches and managers of our teams in the Sports Office with Mike Marinovich from Central United prior to season starting to go through the details of the season and answer questions.

Kind regards,

Stuart Hogg
