

St Peter's College Snowsports -2025

St Peter's College is ready and looking forward to the upcoming Snowsports season. We want to gauge the interest regarding the North Island Skiing and Snowboarding Championships to be held at Mt Ruapehu in September.

All ability levels are welcome, skiers/snowboarders do not need to have racing experience and skill to attend the sessions. The teams will be selected later in the year. Pupils can attend training after school on Thursdays. Previously pupils have preferred free-ski sessions. If pupils require coaching, there is a minimum number of pupils required for a group session. Alternatively, pupils can book lessons directly with Snowplanet.

Historically St Peter's College has had more pupils participating in Skiing than snowboarding. We are very keen to have Snowboarders join the SPC Snow sports team. Snowboarders can join the Ski team for training sessions.
