

Below are the instructions for the subject selection process for 2026

We intend this process to be fluid and open, and you are encouraged to get in touch if you have any concerns or if you need some clarification. Please select subjects in conjunction with the subject guides, which are found online in the Academic Section of the SPC Website.

Your choice will have a significant impact on structuring Option Choices for the whole school. So, please give a considerable amount of thought before choosing your Optional Subjects.

The portal is open for the initial selection **at midday Friday the 22nd of August** and remains open until midday **on Thursday 28th of August 2025.**

YEAR 11 SPC CERTIFICATE – THERE ARE SEVEN SUBJECTS AT YEAR 11

You will **automatically be entered** for **ENGLISH, THEOLOGY & PHILOSOPHY, SCIENCE AND MATHEMATICS**, so please **CHOOSE THREE OPTIONS** as per the instructions below.

- Log into our Web portal and click “Course Selection.”
- To choose your **first Optional Subject**: Select a subject listed in under the **COURSE column** and click on the rectangle in the row next to it under **Column 1**. It will then appear as green with a tick.
- To choose your **second Optional Subject**: Select another subject listed in the **COURSE column** and click on the rectangle next to it under **Column 2**. It will then appear as green with a tick.
- Follow the same procedure to choose your third option. You will see all the tabs of your three options in green with a tick. The number order does not matter, i.e. in the example below, **11 History SPC Certificate (11HIS)** has been chosen as option 2, however each of the choices have equal weighting and we do not take them as an order of preference.
- When you have selected the three options, click ‘save’ at the bottom of the page and confirm selection.
