

This policy is designed and administered to reflect our mission and vision of building outstanding men and educating the whole person in an environment of Christian love and service.

Student Personal Presentation Policy

NAG 5

Rationale

There is an expectation at St Peter's College of an acceptable personal appearance, including hair grooming, for all students.

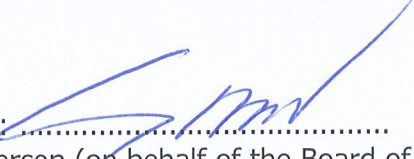

Purposes

The purpose of this policy is to detail the College's expectations with regard to hair and grooming.

Guidelines

1. Hair must be a student's natural colour.
2. Hair must not be below the collar. Longer hair can be dangerous in practical classes and students will have to tie hair up if requested.
3. Hair must be tied back if eyes and face are not visible.
4. Extreme hair styles are not permitted. These include, but are not limited to, dreadlocks, Mohawks, shaved lines or any such styles that are studied efforts to draw attention to the student.
5. All students must be clean shaven.
6. Necklaces, bracelets, and earrings are not to be worn at school. Items of religious or cultural significance may be allowed if the Headmaster agrees there is a genuine reason for the item to be worn.

Approved by the Board of Trustees on 26 March 2024
